Dear custodian of records:

Under the Vermont Public Records Law, §315 et seq., I am requesting an opportunity to inspect or obtain copies of public records that contain the work email addresses of all state and county prosecutors. Digital copies preferred in the form of CSV or PDF file.

If there are any fees for searching or copying these records, please inform me of the cost. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of prosecutorial conduct. I am a law student at the University of Arizona, James E. Rogers College of Law and I work for a number of professors who intend on creating a database on prosecutors nationwide. This information is not being sought for commercial purposes.

Please respond to this request in a reasonable time period. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

Joseph M. Radochonski
