109 State Street

This is a follow up to a previous request:

In regards to the Sue Minter's records, the 4th request bulleted in your response, I am happy to narrow my request. I am looking for any communications made in which Minter raised questions with the Attorney General's office regarding the state transportation contracts attained by now Gov. Phil Scott. Minter said she raised such concerns as Transportation Secretary during a gubernatorial debate last year. Specific search can include, but are not limited to, "Phil Scott," "transportation," "Contracts," and "DuBois Construction." I am not aware of a specific staffer who would handle such a complaint, but if there is one, happy to narrow the request to that person's emails. Thanks!
