To Whom It May Concern,

Under the Vermont Public Records Law, §315 et seq., I am requesting an opportunity to inspect or obtain copies of public records that relate to the Board elections for the Vermont State Teachers Retirement System, including any Request for Proposal, Questions and Answers as well as the Proposal Responses provided by interested vendors.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$10. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of Processes and costs associated with these elections. This information is not being sought for commercial purposes.

The Vermont Public Records Law, §315 et seq. requires a response within three business days. If access to the records I am requesting will take longer than this time period, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

Jenny Millard
