Subject: Request for public records

Categories: Pending Response

To Whom It May Concern,

I am requesting all public record complaints against Connor Homes LLC, including Michael Connor, Sam Pryor and David Forer. My Husband, Barry Levine, and I have filed a previous complaint with your office for contracted work that was paid for in advance and not completed or reimbursed.

Please email all information to me regarding other complaints on file.

Feel free to contact me for any other information.

Thank you,
Sharon Gernsheimer
