Subject Health Practitioner Disclosure Data

Message Dear Office of the Attorney General,

I would like to request company-reported data on payments made to Vermont healthcare practitioners from PY 2013 to present. We are a research team that focuses on the Physician Payments Sunshine Act, and we are interested in healthcare practitioners who are excluded from the federal program's reporting mandate. Vermont is one of the few states that collects such information, and we would greatly appreciate your assistance. Thank you for your time.

Best,
Valerie
