Dear Mr. Donovan:

Under the **Vermont Public Records Law, §315 et seq.**, I am requesting an opportunity to inspect or obtain copies of public records that include information submitted by drug manufacturers pursuant to A 165.

If there are any fees for searching or copying these records, please inform me. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of prescription drug pricing.

I would request a prompt response to this request. If you expect a significant delay in responding to or in fulfilling this request, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,
Martha Ryan
