Re: Public Records Request

Dear Mr. Cohen:

I write in response to your public records act request dated November 29, 2018, received December 3, 2018, in which you requested:

"...access to all records provided to the Office of Attorney General by or on behalf of Facebook, Inc. regarding the Facebook data breach that occurred on September 25, 2018 and was publicly announced on September 28, 2018, wherein the personal information of approximately 50 million Facebook users was exposed through a flaw in Facebook's code. This request includes all records provided to the Office of the Attorney General between September 1, 2018 and the present in any format..."

We have conducted a search and have found no documents responsive to your request.

Sincerely,

A handwritten signature in black ink, appearing to read "RCB".
