Vermont Office of the Attorney General  
Public Records Act Request  
109 State Street  
Montpelier, VT 05609

Jan. 28, 2019

To whom it may concern:

Pursuant Vermont's Public Records Act, I am requesting access to the following records related to the investigation into the May 4, 2018 officer-involved shooting of Mark Triolo in Brattleboro:

1. Any memo, report, email, letter or other document summarizing the Vermont Office of the Attorney General's review of the shooting and/or the reasons for resolving the matter without charges.
2. The materials received from Vermont State Police related to the shooting and used in the Office of the Attorney General's investigation. Such materials were referenced in an Aug. 30, 2018 statement from the Office of the Attorney General and the Windham County State's Attorney.

The Office of the Attorney General and the Windham County State's Attorney announced in the Aug. 30 statement that they would not comment further at that time but "may release additional information related to their decisions if and when the criminal charges pending against Mr. Triolo are resolved."

Mr. Triolo has since pleaded guilty to those charges, in U.S. District Court in Burlington on Jan. 24.

Please let me know if you have any questions related to this request. If you anticipate that a cost will be associated with this request, please inform me of that ahead of time before proceeding.

Regards,
