Re: Public Records Request

Dear Dr. Green:

I write to provide you with an updated cost estimate in response to your Public Records Act request dated April 8th 2019 and which our office received on April 9th 2019.

Due to the quantity and nature of the documents, the revised processing time estimate is 1 hour and 45 minutes. The revised estimated cost is now \$24.75. This estimate is configured for time spent beyond the first 30 minutes. Therefore, the revised cost reflects 75 minutes, billed at the lowered possible rate under the Secretary of State's fee schedule (\$.33 a minute) and totals \$24.75.

We ask that you confirm your willingness to pay the revised estimated cost, \$24.75, before we release the public records request.

Sincerely,

Complaint Specialist
