Subject: Re: Public Records Act request 4/17/19 - cost estimate

Hi, Colin,
I have a cost estimate for copying the Environmental Division binders. The estimated cost is $209.70. Here's the breakdown of that estimate:

$.09 per each double-sided page x estimated 2,000 pages = $180.
Staff time for photocopying is calculated at $.33/minute after the first 30 minutes. We estimate 2 hours to photocopy. $.33/minute x 120 minutes, minus the first 30 minutes, is 90 minutes = $29.70.

$180 (photocopies)
$29.70 (staff time to photocopy)
$209.70 TOTAL

Please let me know if you are willing to pay the estimated cost. We will wait to hear from you before taking any further steps.

Charity

Hi, Colin,

The Environmental binders are on track to be completed by the end of the week. I will have a cost estimate within a day.

Thanks,
Charity

Thanks Charity,

Please let me know when the environmental division complaints/lawsuits are also available in full in binders. I'm wondering if you could send me a quote for the cost of copies once these binders are compiled -- I'm presuming it would be significantly cheaper as much of the work (retrieving, sorting, etc) will already be done. As much as I enjoy the folks at the AG's office, being able to do this work at our office would be preferable...and having our own set of docs for future reference. Thank you so much for all your help up to this point.

Best,

-C
