Dear Mr. Melone,

I am writing in response to your Vermont Public Records Act request to the Vermont Attorney General's Office, which was received on July 26, 2019, which initially sought "[a]ll records relating to Annette Smith" and was further clarified by e-mail on August 1, 2019 as "[l]imited to the records related to the investigation of Annette Smith regarding the practice of law without a license."

A previous request for the same information was processed by the Vermont Attorney General's Office on August 2, 2107 and posted to our website in its entirety.

It is our understanding that those documents are responsive to your clarified request, however, please feel free to contact us with any questions or concerns.

Thank you.

Sincerely,
