Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

Dear Records Custodian
Under the Vermont Public Records Law, §315 et seq., I am requesting an opportunity to inspect the police cruiser's web cam recording from the early morning of August 9, 2019, at the scene on Spring Street when Mark Johnson was shot.
As you know, there would be no fee for seeing the video, based on the recent decision of the Vermont Supreme Court in Reed Doyle v. City of Burlington, decided on September 13, 2019. We will decide whether to request a copy after seeing the video.
The law requires a response to this request within three days, or within 10 days for extraordinary circumstances. If you expect a significant delay in fulfilling this request, please contact me with information about when I might expect the ability to inspect the video.

If you deny this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

A copy of this request is also being sent to the Montpelier Police Department.

Thank you for considering this request.

Sincerely,

Peter Thoms

Please take note of the following disclaimer:

1. This public records request, including any associated correspondence, will be considered a public record in its entirety. As such, it will be made available to any member of the public upon request.
2. Do not include any sensitive information, such as medical information, financial account numbers, or Social Security numbers.

The AGO will contact you if additional information is required.
3. Submission of this form does not constitute receipt of it by the AGO. Your public records request will be considered received on the next business day following its submission.
