6. PAYMENT

a. Contingency Fee.

This is a contingency fee contract. The parties have agreed to the following contingency fees:

If the case is settled or otherwise concluded prior to Contractor's appearance on the first day of a trial on the merits:

- i. 20% of any recovery up to one hundred million dollars (\$100,000,000).
- ii. 15% of any recovery over one hundred million dollars (\$100,000,000) up to three hundred million dollars (\$300,000,000).

- iii. 12% of any recovery over three hundred million dollars (\$300,000,000).

If this case is settled or otherwise concluded after Contractor's appearance in court after the first day of a trial on the merits:

- i. 20% of any recovery up to one hundred million dollars (\$100,000,000).
- ii. 17% of any recovery over one hundred million dollars (\$100,000,000) up to three hundred million dollars (\$300,000,000).
- iii. 14% of any recovery over three hundred million dollars (\$300,000,000).

The contingency fee calculation shall be based upon the aggregation of recoveries against any and all defendants or other targets pursued under this Contract, not on a per defendant basis. For illustration purposes only, in the event there are two separate settlements including the first against a particular manufacturer for \$100 million and the second against another manufacturer that yields \$150 million, the entirety of the contingency paid for the \$150 million settlement would be 15% of the \$150 million.

b. Non cash recoveries.

Recoveries shall include cash recoveries plus non-cash recoveries, whether awarded by settlement or final judgment in any legal action. "Non cash recoveries" means the fair market value of any property delivered to the State, any services rendered for the State's benefit, and any other non-cash benefit received from the defendants in a settlement or final judgment of a case where the Contractor performs services under this Contract. This includes any environmental clean-up required or performed in connection with any settlement or final judgment. The value of said non-cash recoveries shall be discounted to net present value.

If any non-cash recovery is awarded in a final judgment or obtained in settlement, the State of Vermont shall provide contractor with its estimate of the value of the non-cash recovery. The Contractor shall promptly respond in writing, indicating whether the Contractor accepts said estimate. If the parties disagree as to the fair market value of any non-monetary property or services, they shall obtain an appraisal by a panel of at least three (3) appraisers, composed of agreed neutrals, mediators, or retired judges (or such other individuals as the AGO and Contractor agree) and such appraised value shall be deemed the fair market value of any non-monetary property or services under this agreement. The cost of such appraisal shall be paid for by Contractor and such cost will not be recoverable under this Contract.

In no event will the State be required to pay legal fees or expenses out of any fund other than the monies recovered from defendants (or their insurers, agents, or other representatives) arising from the legal actions brought pursuant to this Contract.

c. Expenses.

Expenses, incurred by both the Contractor and AGO, shall be reimbursed from any recovery. Recovered expenses shall be deducted prior to calculating amount of recovery on the contingency identified above. There shall be no reimbursement to Contractor in absence of a recovery for the State of Vermont.

- 7. **EXPENSES.** Subject to the limitations set forth in paragraph 1c above., the State shall reimburse Contractor in the event of a recovery by the State of Vermont for the expenses identified below.

a. Advancement of Expenses and Costs

Contractor shall advance all litigation costs, expenses, and disbursements, including expert witness fees and costs, deposition costs, and document production. The State of Vermont shall not advance payment for any services rendered or costs, expenses, or disbursements incurred. Contractor's agreement to advance all costs, expenses, and disbursements, as well as its agreement to defer fees while any and all litigation (including appeals) is pending, has been taken into consideration in establishing the contingency fee schedule. The State of Vermont shall not be liable for any such costs, expenses and/or disbursements if there is no recovery from the Litigation.

b. Expenses/Format

Should a recovery be obtained by the State of Vermont, Contractor shall be reimbursed for certain non-labor expenses and costs only as set forth in Section 2d below. Contractor may seek reimbursement of expenses or costs incurred by an approved sub-contractor pursuant to Attachment D, section 5.a., only as set forth in Subsection 2d below.

All expenses should be itemized to include the following information: (1) name of the attorney incurring the expense; (2) a legible copy of a receipt documenting the expense, and (3) a detailed description of the expense. No reimbursement shall be made for "miscellaneous" listings or for expenses missing any of the three requirements listed above.

c. Receipts

All receipts shall be retained for at least one (1) full year following the Termination Date and shall be made available to the State of Vermont upon request or as otherwise set forth herein.

d. Maximum Reimbursement

Unless otherwise expressly approved by the AGO in writing prior to invoicing, the following permitted expenses shall be reimbursed only in accordance with Section b, above, and only as follows:

i. Experts

Contractor shall be reimbursed for retention of outside experts, including fees and other reasonable costs, only when expressly authorized by the AGO. Except as otherwise expressly set forth herein, Contractor shall not be reimbursed for retention of in-house experts or other in-house legal support staff.

ii. Travel

Contractor's travel expenses approved by the State shall be reimbursed in a manner consistent with the State of Vermont's Travel Policies.

iii. Photocopying/Document Imaging

In-house photocopying/document imaging (including faxing, scanning, and color copies) shall be reimbursed at Contractor's actual expense, not to exceed seven cents (\$0.07) per copy and is to be itemized on the invoice as "photocopies, document images, faxes, or scanned pages" (number of copies @ rate per copy/image). Reasonable amounts for outside photocopying/document imaging shall be reimbursed at actual cost if receipts are provided.

iv. Priority/Overnight Mail

Charges for priority or overnight mail and courier services shall be reimbursed only if a reasonable basis exists for using the service and only if receipts for the expense are provided. In no event shall Contractor be reimbursed for the cost of sending invoices or status reports to the AGO by overnight or priority mail services.

v. Secretarial Overtime, Telecommunications, and Electronic Research Services

There shall be no reimbursement for secretarial/administrative services, telecommunications, and electronic research services.

vi. Other Expenses

Actual costs shall be reimbursed for certain extraordinary expenses including transcripts, deposition costs, witness fees, subpoena service, and postage when itemized with receipts. Routine expenses such as office supplies, word processing, or secretarial costs are not reimbursable. Contractor shall obtain the AGO's approval before incurring any individual expense exceeding One Thousand and 00/100 Dollars (\$1,000.00).

23. **Conflict of Interest:** Party shall fully disclose, in writing, any conflicts of interest or potential conflicts of interest.
24. **Confidentiality:** Party acknowledges and agrees that this Agreement and any and all information obtained by the State from the Party in connection with this Agreement are subject to the State of Vermont Access to Public Records Act, 1 V.S.A. § 315 et seq.
25. **Force Majeure:** Neither the State nor the Party shall be liable to the other for any failure or delay of performance of any obligations under this Agreement to the extent such failure or delay shall have been wholly or principally caused by acts or events beyond its reasonable control rendering performance illegal or impossible (excluding strikes or lock-outs) (“Force Majeure”). Where Force Majeure is asserted, the nonperforming party must prove that it made all reasonable efforts to remove, eliminate or minimize such cause of delay or damages, diligently pursued performance of its obligations under this Agreement, substantially fulfilled all non-excused obligations, and timely notified the other party of the likelihood or actual occurrence of an event described in this paragraph.
26. **Marketing:** Party shall not refer to the State in any publicity materials, information pamphlets, press releases, research reports, advertising, sales promotions, trade shows, or marketing materials or similar communications to third parties except with the prior written consent of the State.
27. **Termination:**
- A. **Non-Appropriation:** If this Agreement extends into more than one fiscal year of the State (July 1 to June 30), and if appropriations are insufficient to support this Agreement, the State may cancel at the end of the fiscal year, or otherwise upon the expiration of existing appropriation authority. In the case that this Agreement is a Grant that is funded in whole or in part by Federal funds, and in the event Federal funds become unavailable or reduced, the State may suspend or cancel this Grant immediately, and the State shall have no obligation to pay Subrecipient from State revenues.
 - B. **Termination for Cause:** Either party may terminate this Agreement if a party materially breaches its obligations under this Agreement, and such breach is not cured within thirty (30) days after delivery of the non-breaching party’s notice or such longer time as the non-breaching party may specify in the notice.
 - C. **Termination Assistance:** Upon nearing the end of the final term or termination of this Agreement, without respect to cause, the Party shall take all reasonable and prudent measures to facilitate any transition required by the State. All State property, tangible and intangible, shall be returned to the State upon demand at no additional cost to the State in a format acceptable to the State.
28. **Continuity of Performance:** In the event of a dispute between the Party and the State, each party will continue to perform its obligations under this Agreement during the resolution of the dispute until this Agreement is terminated in accordance with its terms.
29. **No Implied Waiver of Remedies:** Either party’s delay or failure to exercise any right, power or remedy under this Agreement shall not impair any such right, power or remedy, or be construed as a waiver of any such right, power or remedy. All waivers must be in writing.
30. **State Facilities:** If the State makes space available to the Party in any State facility during the term of this Agreement for purposes of the Party’s performance under this Agreement, the Party shall only use the space in accordance with all policies and procedures governing access to and use of State facilities which shall be made available upon request. State facilities will be made available to Party on an “AS IS, WHERE IS” basis, with no warranties whatsoever.

31. Requirements Pertaining Only to Federal Grants and Subrecipient Agreements: If this Agreement is a grant that is funded in whole or in part by Federal funds:

- A. Requirement to Have a Single Audit:** The Subrecipient will complete the Subrecipient Annual Report annually within 45 days after its fiscal year end, informing the State of Vermont whether or not a Single Audit is required for the prior fiscal year. If a Single Audit is required, the Subrecipient will submit a copy of the audit report to the granting Party within 9 months. If a single audit is not required, only the Subrecipient Annual Report is required.

For fiscal years ending before December 25, 2015, a Single Audit is required if the subrecipient expends \$500,000 or more in Federal assistance during its fiscal year and must be conducted in accordance with OMB Circular A- 133. For fiscal years ending on or after December 25, 2015, a Single Audit is required if the subrecipient expends \$750,000 or more in Federal assistance during its fiscal year and must be conducted in accordance with 2 CFR Chapter I, Chapter II, Part 200, Subpart F. The Subrecipient Annual Report is required to be submitted within 45 days, whether or not a Single Audit is required.

- B. Internal Controls:** In accordance with 2 CFR Part II, §200.303, the Party must establish and maintain effective internal control over the Federal award to provide reasonable assurance that the Party is managing the Federal award in compliance with Federal statutes, regulations, and the terms and conditions of the award. These internal controls should be in compliance with guidance in “Standards for Internal Control in the Federal Government” issued by the Comptroller General of the United States and the “Internal Control Integrated Framework”, issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
- C. Mandatory Disclosures:** In accordance with 2 CFR Part II, §200.113, Party must disclose, in a timely manner, in writing to the State, all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. Failure to make required disclosures may result in the imposition of sanctions which may include disallowance of costs incurred, withholding of payments, termination of the Agreement, suspension/debarment, etc.

32. Requirements Pertaining Only to State-Funded Grants:

- A. Certification Regarding Use of State Funds:** If Party is an employer and this Agreement is a State-funded grant in excess of \$1,001, Party certifies that none of these State funds will be used to interfere with or restrain the exercise of Party’s employee’s rights with respect to unionization.
- B. Good Standing Certification (Act 154 of 2016):** If this Agreement is a State-funded grant, Party hereby represents: (i) that it has signed and provided to the State the form prescribed by the Secretary of Administration for purposes of certifying that it is in good standing (as provided in Section 13(a)(2) of Act 154) with the Agency of Natural Resources and the Agency of Agriculture, Food and Markets, or otherwise explaining the circumstances surrounding the inability to so certify, and (ii) that it will comply with the requirements stated therein.

ATTACHMENT D

OTHER PROVISIONS

1. **Confidentiality.** Contractor agrees to keep confidential all information received by Contractor in connection with this Contract with respect to (i) the State and all related agencies and companies and (ii) any application or examination submitted to Contractor for review. Other than the reports submitted to the State, the Contractor agrees not to publish, reproduce, or otherwise divulge such information in whole or in part, in any manner or form or authorize or permit others to do so. Contractor will take reasonable measures as are necessary to restrict access to information in the Contractor's possession to those employees on his/her staff who must have the information on a "need to know" basis. Contractor agrees to immediately notify, in writing, the State's authorized representative in the event Contractor determines or has reason to suspect a breach of this requirement. If Contractor believes that confidential information has become publicly available, it will notify the State and discuss an appropriate response with the State. If Contractor is required by law to disclose any confidential information, it will, to the extent practicable, notify the State of the disclosure request and discuss an appropriate response with the State.

As set forth in Attachment C above, both parties acknowledge and agree that this Agreement and any and all information obtained by the State of Vermont from the Contractor in connect with this Agreement are subject to the State of Vermont Public Records Act ("Act"), 1 V.S.A. § 315 *et seq.* The State of Vermont will, however, protect all attorney-client communications and attorney work product from disclosure under the applicable exceptions to the Act.

2. **No Action Against the State.** Contractor will be providing legal services under this contract. Contractor agrees that during the term of this Contract, it will not represent any person or entity in a matter, proceeding, or lawsuit against the State of Vermont or any of its agencies or instrumentalities. Contractor also agrees that after termination of this Contract, it will not represent any person or entity in a matter, proceeding, or lawsuit substantially related to this Contract.
3. **Professional Liability Insurance.** Before commencing work on this Contract and throughout the term of this Contract, Contractor shall procure and maintain professional liability insurance for any and all services performed under this Contract, with a minimum coverage of \$5,000,000 per occurrence.
4. **Scope of Appointment.**
 - a. The Attorney General shall have final authority over all aspects of Litigation. Moreover, the Attorney General has the unfettered right to appoint one or more designated assistants (the "**Designated Assistant**") to oversee Litigation which appointment the Attorney General may modify at will. For the purposes of Litigation, until further notice is given, the Designated Assistant shall be Robert McDougall, Assistant Attorney General. In the event that no Designated Assistant is named, all references herein to the Designated Assistant shall be deemed to refer to the Deputy Attorney General.

- b. Contractor shall coordinate the provision of counsel with the Designated Assistant and other personnel of the AGO, and such others as the Attorney General may appoint as outside counsel. All briefs and other material which may be filed with any court shall first be provided electronically to the AGO in draft form in a reasonable and timely manner for review and shall be approved by the AGO. The Attorney General shall retain veto power over any decisions made by Contractor. Regular status meetings will be held as requested by Contractor or the AGO.
- c. Contractor shall only communicate with State of Vermont officers or employees through the AGO unless otherwise agreed to by the AGO.
- d. Contractor shall provide sufficient resources, including attorneys, paralegals, and other professional resources, to prosecute Litigation in accordance with the Vermont Rules of Professional Conduct and consistent with the requirements of complex litigation.
- e. Counsel for any defendant subject to Litigation for which the AGO has retained Contractor may contact the Designated Assistant directly without first consulting Contractor.

5. Assignment and Delegation of Work

- a. The State of Vermont approves Contractor's retaining of Kanner & Whiteley, LLC, as a subcontractor. Kanner & Whiteley, LLC, agrees to comply with the terms and conditions set forth in this Contract. Contractor may assign or delegate work to other attorneys, legal professionals, or firms only with the advance written approval of the AGO. Such approval shall be at the AGO's sole discretion.

All attorneys, legal professionals, or firms to whom Contractor may delegate work under this Section must have qualifications and experience to perform the work requested and shall work under the supervision and control of Contractor. All attorneys, legal professionals or firms who work on this case shall follow and apply the highest professional standards. If the AGO becomes dissatisfied with the work product or the working relationship with any individual that works pursuant to this Contract, the AGO may request in writing the replacement of any and all such individuals and Contractor shall grant such request.

Although delegation may be permitted as provided herein, delegation shall not relieve Contractor of any responsibility or liability for the work performed hereunder. No provision of this section shall be construed to allow Contractor to subcontract with, hire, or retain any law firm without the prior written consent of the AGO.

Without limitation to the above, Contractor agrees to designate an attorney who is expected to serve as lead counsel at trial. Contractor agrees that said lead trial attorney shall be actively engaged in all trial preparation including, but not limited to, selected the State's witnesses and exhibits, working with the State's expert witnesses, preparing motions in-limine, and drafting all pre-trial submissions.

- b. In the event that Contractor sub-contracts or delegates work to other attorneys, legal professionals, or firms, as approved by the AGO, including Kanner & Whiteley, LLC, the compensation of such firms shall be a matter beyond the scope of this Contract to be negotiated in writing between Contractor and those firms prior to the commencement of any work by such firms, and shall be paid entirely by Contractor. A copy of such compensation agreement shall be provided electronically to the AGO. The State of Vermont shall not be liable for any fees, compensation or expenses to be paid to other firms retained by Contractor, including Kanner & Whiteley, LLC, to serve as co-counsel or provide other services to Contractor. Contractor agrees to indemnify, defend, and hold harmless the State of Vermont against any claim for reimbursement of fees, costs, or expenses asserted by any firm retained by Contractor. Contractor moreover shall include a provision in any agreement with a sub-contractor under which the sub-contractor agrees to release and hold harmless the State of Vermont against any claim for reimbursement of fees, costs or expenses.

6. **Attorney-Client Relationship and Relationship of the Parties**

Contractor shall be responsible for all of Contractor's business expenses, including, but not limited to, employees' wages and salaries, insurance of every type and description, and all business and personal taxes, including income and Social Security taxes and contributions for Workers' Compensation and Unemployment Compensation coverage, if any.

7. **Case Management**

- a. The AGO will serve as local counsel and play an active role in managing any Litigation, including but not limited to participating in regular strategy discussions, serving as liaison with ANR, reviewing discovery and filings, and other matters.
- b. Contractor shall be required to provide status, expense reports, as well as significant case updates regarding any aspect of the investigation and litigation. Contractor shall submit monthly status reports and updates to the Designated Assistant, or such more frequent reports and updates as litigation developments may suggest. Contractor shall submit quarterly expense reports to the Designated Assistant. Failure to timely provide such reports and updates may result in forfeiture of Contractor's compensation.

At a minimum, significant case updates must include a description of the current status of Litigation, any significant events that have occurred since the previous update, and a prospective analysis of any significant future events.

Reports shall be sent electronically to the Designated Assistant at Robert.mcdougall@vermont.gov or such other addresses as the AGO may hereafter designate.

- c. Contractor shall consult, by telephone or email, with the Designated Assistant as soon as possible on all matters that may be of substantial legal significance, controversial, high profile, or otherwise noteworthy. Without limitation to the above, Contractor shall give timely written notice to the Designated Assistant of the scheduled date for any of the

following, if applicable:

- i. Pleadings;
 - ii. Discovery deadlines or cutoffs;
 - iii. Dispositive motions;
 - iv. Non-dispositive motions;
 - v. Court decisions and rulings;
 - vi. Schedule for hearings, conferences, or other court appearances;
 - vii. Trials;
 - viii. Appeal or notice of an appeal;
 - ix. Settlement negotiation or other alternative dispute resolution efforts; and
 - x. Upon the filing of any pleading or the receipt of any communication from a court, Contractor shall timely provide electronic notification and a time-stamped copy of such filing to the Designated Assistant.
- d. The AGO shall have full, immediate, and unrestricted access to the work product of Contractor (or any other individual or entity that has been delegated duties under this Contract) during the term of this Contract. Upon termination of this Contract, Contractor shall without further request and at no cost to the State turn over to the State all files related to the work performed under this Contract.
- e. Contractor represents and warrants none of its attorneys or those other professionals that have been assigned legal work in this case are debarred, suspended, or otherwise ineligible to enter into this Agreement with the State of Vermont. Contractor shall immediately notify the AGO any disciplinary actions are brought against it, any sub-contractor, or any of the attorneys assigned work in this matter in any jurisdiction.
8. Without limitation to the authority of the AGO concerning the management and supervision of Litigation set forth above, the AGO in his full discretion shall approve both the initiation of Litigation on behalf of the State of Vermont and any settlement. Contractor understands and agrees that the initiation of Litigation on behalf of the State of Vermont and all settlements must receive the prior approval of the AGO. To the extent that the AGO has directed to the Contractor responsibility for settlement negotiations, Contractor shall confer with the Designated Assistant early and regularly with regards to the prospects of settlement. Decisions regarding settlement of the case shall be reserved exclusively to the discretion of the Attorney General and his Designated Assistant.
- Contractor shall timely notify the Designated Assistant of any settlement conferences to allow the Designated Assistant to participate as warranted. Without limitation, Contractor agrees to confer with the AGO about the following matters when applicable:
- a. Confidentiality provisions in settlement agreements
 - b. Indemnification provisions

- c. Release language
 - d. Naming of the State of Vermont, including any of any of its agencies, instrumentalities, officers or employees, as a party.
9. It is important that the AGO receives early notice of potential or actual appeals, for or against, the State of Vermont. Therefore, Contractor shall give notice via email, as soon as possible, to the Designated Assistant upon the receipt of a dispositive decision in any court, receipt of a Notice of Appeal, or the existence of any intent of Contractor to appeal a decision arising out of litigation.
10. Contractor agrees to adhere to Vermont's Public Records Act, 1 V.S.A. § 315 et seq., and maintain all public records in accordance with Vermont law, including documentation of all expenses, disbursements, charges, credits, underlying receipts and invoices, and other financial transactions that concern the provision of such attorney services. Contractor shall consult with and obtain the approval of the AGO before responding to any public records request. Moreover, Contractor shall not disclose any information obtained in performing its services hereunder in violation of any state or federal law including, but not limited to, the Family Education Rights and Privacy Act ("FERPA") and/or the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") as the same may be amended or modified from time to time.
11. **Publicity**
- Neither Contractor nor any partner, associate, employee, or any other person assisting with the work contemplated by this Contract shall publish any material, including online publications, or speak to or otherwise communicate with any representative of a television station, radio station, newspaper, magazine, website, or any other media outlet concerning the work outlined or contemplated by this Contract without first obtaining approval of the Designated Assistant and/or the Deputy Attorney General. This Contract specifically prohibits any right or ability on the part of Contractor to speak on behalf of the State of Vermont to any member of the news media. Provided, however, the restrictions in this paragraph 11 shall not apply to any professional or other publication of (i) the fact that Contractor or sub-contractor is representing or has represented the State of Vermont as to a specific matter (the "Representation"), once any litigation has been filed, and (ii) the nature of the Representation.

I hope you are well. We met in January at the public forum in Bennington.

You may have already looked at this site but just in case you have not...

This is a great organization that has been fighting for years to disclose important public health and environmental toxicity information. I first worked with them in WV a long time ago after the chemical spill in Bhopal, India that killed thousands of people. In anticipation of the September testimony by the industry before the government oversight committee they released all of these documents into the public domain. Many were previously available but putting them all in one place is pretty awesome. Wendy

The payment schedule for services performed, and any additional reimbursements, are as follows:

6. **PAYMENT**

a. **Contingency Fee.**

This is a contingency fee contract. The parties have agreed to the following contingency fees:

If the case is settled or otherwise concluded prior to Contractor's appearance on the first day of a trial on the merits:

- i. 20% of any recovery up to one hundred million dollars (\$100,000,000).
- ii. 15% of any recovery over one hundred million dollars (\$100,000,000) up to three hundred million dollars (\$300,000,000).

- iii. 12% of any recovery over three hundred million dollars (\$300,000,000).

If this case is settled or otherwise concluded after Contractor's appearance in court after the first day of a trial on the merits:

- i. 20% of any recovery up to one hundred million dollars (\$100,000,000).
- ii. 17% of any recovery over one hundred million dollars (\$100,000,000) up to three hundred million dollars (\$300,000,000).
- iii. 14% of any recovery over three hundred million dollars (\$300,000,000).

The contingency fee calculation shall be based upon the aggregation of recoveries against any and all defendants or other targets pursued under this Contract, not on a per defendant basis. For illustration purposes only, in the event there are two separate settlements including the first against a particular manufacturer for \$100 million and the second against another manufacturer that yields \$150 million, the entirety of the contingency paid for the \$150 million settlement would be 15% of the \$150 million.

b. Non cash recoveries.

Recoveries shall include cash recoveries plus non-cash recoveries, whether awarded by settlement or final judgment in any legal action. "Non cash recoveries" means the fair market value of any property delivered to the State, any services rendered for the State's benefit, and any other non-cash benefit received from the defendants in a settlement or final judgment of a case where the Contractor performs services under this Contract. This includes any environmental clean-up required or performed in connection with any settlement or final judgment. The value of said non-cash recoveries shall be discounted to net present value.

If any non-cash recovery is awarded in a final judgment or obtained in settlement, the State of Vermont shall provide contractor with its estimate of the value of the non-cash recovery. The Contractor shall promptly respond in writing, indicating whether the Contractor accepts said estimate. If the parties disagree as to the fair market value of any non-monetary property or services, they shall obtain an appraisal by a panel of at least three (3) appraisers, composed of agreed neutrals, mediators, or retired judges (or such other individuals as the AGO and Contractor agree) and such appraised value shall be deemed the fair market value of any non-monetary property or services under this agreement. The cost of such appraisal shall be paid for by Contractor and such cost will not be recoverable under this Contract.

In no event will the State be required to pay legal fees or expenses out of any fund other than the monies recovered from defendants (or their insurers, agents, or other representatives) arising from the legal actions brought pursuant to this Contract.

c. Expenses.

Expenses, incurred by both the Contractor and AGO, shall be reimbursed from any recovery. Recovered expenses shall be deducted prior to calculating amount of recovery on the contingency identified above. There shall be no reimbursement to Contractor in absence of a recovery for the State of Vermont.

7. **EXPENSES.** Subject to the limitations set forth in paragraph 1c above., the State shall reimburse Contractor in the event of a recovery by the State of Vermont for the expenses identified below.

a. Advancement of Expenses and Costs

Contractor shall advance all litigation costs, expenses, and disbursements, including expert witness fees and costs, deposition costs, and document production. The State of Vermont shall not advance payment for any services rendered or costs, expenses, or disbursements incurred. Contractor's agreement to advance all costs, expenses, and disbursements, as well as its agreement to defer fees while any and all litigation (including appeals) is pending, has been taken into consideration in establishing the contingency fee schedule. The State of Vermont shall not be liable for any such costs, expenses and/or disbursements if there is no recovery from the Litigation.

b. Expenses/Format

Should a recovery be obtained by the State of Vermont, Contractor shall be reimbursed for certain non-labor expenses and costs only as set forth in Section 2d below. Contractor may seek reimbursement of expenses or costs incurred by an approved sub-contractor pursuant to Attachment D, section 5.a., only as set forth in Subsection 2d below.

All expenses should be itemized to include the following information: (1) name of the attorney incurring the expense; (2) a legible copy of a receipt documenting the expense, and (3) a detailed description of the expense. No reimbursement shall be made for "miscellaneous" listings or for expenses missing any of the three requirements listed above.

c. Receipts

All receipts shall be retained for at least one (1) full year following the Termination Date and shall be made available to the State of Vermont upon request or as otherwise set forth herein.

d. Maximum Reimbursement

Unless otherwise expressly approved by the AGO in writing prior to invoicing, the following permitted expenses shall be reimbursed only in accordance with Section b, above, and only as follows:

i. Experts

Contractor shall be reimbursed for retention of outside experts, including fees and other reasonable costs, only when expressly authorized by the AGO. Except as otherwise expressly set forth herein, Contractor shall not be reimbursed for retention of in-house experts or other in-house legal support staff.

ii. Travel

Contractor's travel expenses approved by the State shall be reimbursed in a manner consistent with the State of Vermont's Travel Policies.

iii. Photocopying/Document Imaging

In-house photocopying/document imaging (including faxing, scanning, and color copies) shall be reimbursed at Contractor's actual expense, not to exceed seven cents (\$0.07) per copy and is to be itemized on the invoice as "photocopies, document images, faxes, or scanned pages" (number of copies @ rate per copy/image). Reasonable amounts for outside photocopying/document imaging shall be reimbursed at actual cost if receipts are provided.

iv. Priority/Overnight Mail

Charges for priority or overnight mail and courier services shall be reimbursed only if a reasonable basis exists for using the service and only if receipts for the expense are provided. In no event shall Contractor be reimbursed for the cost of sending invoices or status reports to the AGO by overnight or priority mail services.

v. Secretarial Overtime, Telecommunications, and Electronic Research Services

There shall be no reimbursement for secretarial/administrative services, telecommunications, and electronic research services.

vi. Other Expenses

Actual costs shall be reimbursed for certain extraordinary expenses including transcripts, deposition costs, witness fees, subpoena service, and postage when itemized with receipts. Routine expenses such as office supplies, word processing, or secretarial costs are not reimbursable. Contractor shall obtain the AGO's approval before incurring any individual expense exceeding One Thousand and 00/100 Dollars (\$1,000.00).

After a final judgment or settlement, the Party may request recoupment of specific defense costs and may file suit in Washington Superior Court requesting recoupment. The Party shall be entitled to recoup costs only upon a showing that such costs were entirely unrelated to the defense of any claim arising from an act or omission of the Party in connection with the performance of this Agreement.

The Party shall indemnify the State and its officers and employees if the State, its officers or employees become

legally obligated to pay any damages or losses arising from any act or omission of the Party or an agent of the Party in connection with the performance of this Agreement.

Notwithstanding any contrary language anywhere, in no event shall the terms of this Agreement or any document furnished by the Party in connection with its performance under this Agreement obligate the State to (1) defend or indemnify the Party or any third party, or (2) otherwise be liable for the expenses or reimbursement, including attorneys' fees, collection costs or other costs of the Party or any third party.
