Dear Mr. [REDACTED]

Thank you for your public records request, which our office received today. I understand that it is the same as an earlier request you made using a slightly different email address. When I sent our response to that request (below), the email bounced back as undeliverable. I am glad you got in touch again. Our response to both of your requests is below.

Thank you.

Dear Mr. [REDACTED]

I apologize that it has taken me so long to get back to you. The Attorney General's Office is not the custodian of records for records responsive to your request.

Although I do not have any specific information about another agency in Vermont state government having a responsive document, my recommendation is to make your request to the [Agency of Natural Resources](#) and the [Agency of Commerce and Community Development](#). You could also contact the [Governor's Office](#).

Please let me know if you have further questions.

Thank you.
Charity
