Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

All public AGO records or public portions of records of communications between the Vermont Attorney General's Office and any and all parties, individuals or corporate, that involve in any way:

- 1) The sale of the Marlboro College campus to Democracy Builders Fund or another party.
- 2) The proposed agreement between Marlboro College and Emerson College to transfer the assets of the former to the latter.

I request that copies of such records that have been received since June 1, 2020 be supplied, and that all future records be sent as soon as possible once they are received until the sale of the campus has been approved by the AG's Office AND the Marlboro-Emerson transfer of assets has been approved AND all outstanding legal issues involving the AG's Office have been resolved.

I am willing to pay reasonable fees to receive these records (preferably via email + attachments), though I hope payment can be avoided if possible.

Thanks for your assistance!

Adrian Segar
