Re: Responses to Vermont Public Records Act request, dated November 18, 2019, Tranche 2

Dear Mr. Klar:

The second tranche of records responsive to your Vermont Public Records Act (“PRA”) request dated November 18, 2019, later revised to encompass records during the period May 1, 2018 to May 10, 2019, is now available. Your request asked for the following records:

“[C]opies of public records that relate to communications between Attorney General TJ Donovan, (the Vermont Office of the Attorney General (VOAG), its employees or agents) and Planned Parenthood, or any organizations, superpacs, agents, representatives or employees thereof, and emails, documents, memoranda, notes, files or other data related thereto. Also requested are any and all internal VOAG or state interagency emails, documents, memoranda, notes, files or other data related to Planned Parenthood or its agents, representatives, employees or related entities, particularly but not limited to any communications of any kind related to Act 57 or Proposal 5.”

Due to the size of the file, we have uploaded the documents to our website in two parts. Part 1 can be found [here](#) and Part 2 [here](#). For future reference, all requests for public records and responsive records can be found by year and requester name under the “Open Government” tab of our website [here](#).

Once we have collected an additional group of documents, I will send the third tranche of responsive records.

Sincerely yours,

/s/ _____
