Mr. Heck:

Attached are documents responsive to your Public Records Request regarding Marlboro College. As follow up to my correspondence of July 20, they consist of documents provided to our Office by Marlboro College on July 15, 17, and 18, and by Democracy Builders on July 18 (within the last 10 business days).

They likewise consist of correspondences sent to, and/or documents provided to, our Office by Marlboro College and Democracy Builders on July 20 (within the last 3 business days).

Please note:

- Pursuant to 1 V.S.A. 317(c)(7), the names of an individual donors to Marlboro College have been redacted from these documents.
- One of the attached records is chain of emails that includes a correspondence from Marlboro College's counsel to my Office on July 19. That email attached documents. Consistent with my correspondence to you of July 20, those documents remain under review for potential withholding/redaction.
- Consistent with my correspondence to you of July 20, we continue to review for potential withholding/redaction certain other of the documents provided to our Office by Marlboro College on July 15 and 17.

If you feel that any redaction has been made in error, you may appeal directly to Deputy Attorney General Joshua Diamond.

Regards,
Jamie

The email below is incorrect, as has been almost every assertion and correspondence to your office about Democracy Builders since we arrived in Vermont. I have attached our Certificate of Good Standing from February, when we last received one, and again from today, which we requested Delaware to prepare for what we hope will be a closing this week.

Once we own the campus, we intend to begin any regulatory processes in Vermont.

Mr. Attorney General Donovan,

I feel that the attached documents shed some light on the situation with the entity called Democracy Builders Fund, Inc, the present entity that entered into a purchase and sale agreements with The Corporation of Marlboro College for the College campus .

As you can see by the attached documents, the entity once known as Democracy Builders Fund, Inc. no longer exists in its home state of Delaware. According to the NY SOS, once it was terminated in DE it should have been terminated also in NY: Mr. Andrew appears to have restarted its charter DE but had to do it under a very slightly different name know as Democracy Builders Fund I, Inc. I also sent my request to Seth Andrew via email :

"sandrew@democracybuilders.org" <sandrew@democracybuilders.org>

The very slight change appears to have gone unnoticed or written off as a typo error by the IRS and the State of NY. However the result is that Democracy Builders Fund, Inc, can no longer legally exist in NY in its current status as a foreign entity if its domestic entity in DE no longer exists. Additionally, it seems when the IRS catches up with this they will once again revoke the 501c3 status of Democracy Builders Fund, Inc, if they haven't already.

Under the law, Democracy Builders Fund should provide 990s and other documents requested by the public. I attach a copy of my letter to their official address sent by certified mail, along with the USPS tracking information. The address listed by Democracy Builders Fund as their place of business no longer exists, however they still list it as their place of business. They do not seem to be legally established in NY, DE or VT at this point and as such cannot engage in this transaction for this reason and many others.

I feel the AGO has an obligation to stop the purchase and sale agreement between Marlboro college and

Democracy Builders Fund, inc or whatever else they might be calling themselves today.

Jamie –

Attached are three documents that show the amount expected to be transferred to Emerson (including the housing funds), the amount expected to be transferred to the Creditors Trust and an itemization of the severance/buy-out payments.

It is our understanding that the latter two would not become public documents at all given the small number of people and community and the potential ability to reverse engineer amounts to people. On the overview document, [REDACTED] name should be redacted if published.

I am available by cell for any questions.

Dear Chris and Jamie,

Attached please find the following documents from my client, Democracy Builder Fund, Inc.:

1. A packet containing the bylaws, articles of incorporation, and associated incorporation documents for Democracy Builder Fund, Inc. and its predecessor entity.
2. An IRS exemption letter confirming Democracy Builder Fund, Inc.'s 501(c)(3) status.
3. An excerpt from the Town of Marlboro zoning regulations showing that the Marlboro College campus is located within a EDU district that requires the property be owned by an institution and run primarily as an educational facility for compliance with zoning standards.

This packet does not include a current certificate of good standing for Democracy Builder Fund, Inc.. I anticipate that I will have a copy for you by Monday.

I can represent on behalf of my client that following closing, it is their intent to file the requisite paperwork with the Vermont Secretary of State as a foreign non-profit corporation doing business and charitable work in Vermont. The Marlboro campus will likely be listed as the primary place of business.

My client has further authorized me to state that if and when Democracy Builder Fund, Inc. or more likely, its educational entity, begins the process of obtaining certification and approval from the Vermont Agency of Education, it shall cause a courtesy copy of its application materials to be filed with the Attorney General's Office. It is our understanding that this copy would simply be to confirm that Democracy Builder Fund, Inc. is acting in compliance with Vermont educational law and in a manner consistent with its stated educational mission.

If you have any questions or require additional information, please feel free to contact me.

Best,

Dan

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

Based on the information you submitted in your application, we approved your request for reinstatement under Revenue Procedure 2014-11. Your effective date of exemption, as listed at the top of this letter, is retroactive to your date of revocation.

Part X Public Charity Status

Part X is designed to classify you as an organization that is either a **private foundation** or a **public charity**. Public charity status is a more favorable tax status than private foundation status. If you are a private foundation, Part X is designed to further determine whether you are a **private operating foundation**. (See instructions.)

1a Are you a private foundation? If "Yes," go to line 1b. If "No," go to line 5 and proceed as instructed. If you are unsure, see the instructions. Yes No

b As a private foundation, section 508(e) requires special provisions in your organizing document in addition to those that apply to all organizations described in section 501(c)(3). Check the box to confirm that your organizing document meets this requirement, whether by express provision or by reliance on operation of state law. Attach a statement that describes specifically where your organizing document meets this requirement, such as a reference to a particular article or section in your organizing document or by operation of state law. See the instructions, including Appendix B, for information about the special provisions that need to be contained in your organizing document. Go to line 2.

2 Are you a private operating foundation? To be a private operating foundation you must engage directly in the active conduct of charitable, religious, educational, and similar activities, as opposed to indirectly carrying out these activities by providing grants to individuals or other organizations. If "Yes," go to line 3. If "No," go to the signature section of Part XI. Yes No

3 Have you existed for one or more years? If "Yes," attach financial information showing that you are a private operating foundation; go to the signature section of Part XI. If "No," continue to line 4. Yes No

4 Have you attached either (1) an affidavit or opinion of counsel, (including a written affidavit or opinion from a certified public accountant or accounting firm with expertise regarding this tax law matter), that sets forth facts concerning your operations and support to demonstrate that you are likely to satisfy the requirements to be classified as a private operating foundation; or (2) a statement describing your proposed operations as a private operating foundation? Yes No

5 If you answered "No" to line 1a, indicate the type of public charity status you are requesting by checking one of the choices below. You may check only one box.

The organization is not a private foundation because it is:

- a 509(a)(1) and 170(b)(1)(A)(i)—a church or a convention or association of churches. Complete and attach Schedule A.
- b 509(a)(1) and 170(b)(1)(A)(ii)—a **school**. Complete and attach Schedule B.
- c 509(a)(1) and 170(b)(1)(A)(iii)—a **hospital**, a cooperative hospital service organization, or a medical research organization operated in conjunction with a hospital. Complete and attach Schedule C.
- d 509(a)(3)—an organization supporting either one or more organizations described in line 5a through c, f, g, or h or a publicly supported section 501(c)(4), (5), or (6) organization. Complete and attach Schedule D.

Part X Public Charity Status (Continued)

- e 509(a)(4)—an organization organized and operated exclusively for testing for public safety.
- f 509(a)(1) and 170(b)(1)(A)(iv)—an organization operated for the benefit of a college or university that is owned or operated by a governmental unit.
- g 509(a)(1) and 170(b)(1)(A)(vi)—an organization that receives a substantial part of its financial support in the form of contributions from publicly supported organizations, from a governmental unit, or from the general public.
- h 509(a)(2)—an organization that normally receives not more than one-third of its financial support from gross investment income and receives more than one-third of its financial support from contributions, membership fees, and gross receipts from activities related to its exempt functions (subject to certain exceptions).
- i A publicly supported organization, but unsure if it is described in 5g or 5h. The organization would like the IRS to decide the correct status.

6 If you checked box g, h, or i in question 5 above, you must request either an **advance** or a **definitive ruling** by selecting one of the boxes below. Refer to the instructions to determine which type of ruling you are eligible to receive.

a Request for Advance Ruling: By checking this box and signing the consent, pursuant to section 6501(c)(4) of the Code you request an advance ruling and agree to extend the statute of limitations on the assessment of excise tax under section 4940 of the Code. The tax will apply only if you do not establish public support status at the end of the 5-year advance ruling period. The assessment period will be extended for the 5 advance ruling years to 8 years, 4 months, and 15 days beyond the end of the first year. You have the right to refuse or limit the extension to a mutually agreed-upon period of time or issue(s). Publication 1035, *Extending the Tax Assessment Period*, provides a more detailed explanation of your rights and the consequences of the choices you make. You may obtain Publication 1035 free of charge from the IRS web site at www.irs.gov or by calling toll-free 1-800-829-3676. Signing this consent will not deprive you of any appeal rights to which you would otherwise be entitled. If you decide not to extend the statute of limitations, you are not eligible for an advance ruling.

WAIVER OF CONSENT OF COMMISSIONER OF EDUCATION

The attached document, regarding the above, was submitted to this office for review to determine whether the provisions of section 216 of the Education Law require the consent of the Commissioner of Education to its filing with the Department of State, or whether the Education Department would have any objection to its filing.

After review, it is the opinion of this office that there is no need for the Commissioner to consent to filing pursuant to New York Not-for-Profit Corporation Law §404(d) since the purposes of the proposed corporation do not fall with the subjects enumerated in New York Education Law §216, and on that basis we have issued this waiver of consent.

DEMOCRACY BUILDERS FUND, INC.
CONFLICT OF INTEREST POLICY

Article I
Purpose

The purpose of this conflict of interest policy (the "Policy") is to protect the interest of Democracy Builders Fund, Inc. (the "Corporation") when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or member of the board of directors of the Corporation or might result in a possible excess benefit transaction. This Policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

Article II
Definitions

For purposes of this Policy, the following terms shall have the following definitions:

1. "**Family Member**" means parents, grandparents, spouses, domestic partners, siblings, children and grandchildren.
2. "**Compensation**" means any direct and indirect remuneration as well as gifts or favors that are not insubstantial.
3. An "**Interest**" exists when a director, principal officer, or member of a committee with powers delegated by the board of directors has, or to that person's knowledge a Family Member has, directly or indirectly, through business or investment:
 - a. An ownership or investment interest in any entity with which the Corporation has a transaction or arrangement;
 - b. A Compensation arrangement with the Corporation or with any entity or individual with which the Corporation has a transaction or arrangement; or
 - c. A potential ownership or investment interest in, or Compensation arrangement with, any entity or individual with which the Corporation is negotiating a transaction or arrangement.

An Interest is not necessarily a conflict of interest. Under Article III, Section 2 of this Policy, a person who has an Interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

4. "**Interested Person**" means any director, principal officer, or member of a committee with powers delegated by the board of directors, who has an Interest.

Article III
Procedures

1. Duty to Disclose

In connection with any actual or possible conflict of interest, an Interested Person must disclose the existence of the Interest and be given the opportunity to disclose all material facts to the directors and to the members of committees with powers delegated by the board of directors that are considering the proposed transaction or arrangement.

2. Determining Whether a Conflict of Interest Exists

After disclosure of the Interest and all material facts, and after any discussion with the Interested Person, he/she shall leave the meeting of such board of directors or committee while the determination of a conflict of interest is discussed and voted upon. The remaining board of directors or committee members shall decide if a conflict of interest exists.

3. Procedures for Addressing the Conflict of Interest

- a. An Interested Person may make a presentation at the board of directors or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
- b. The chairperson of the board of directors or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- c. After exercising due diligence, the board of directors or committee shall determine whether the Corporation can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the board of directors or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Corporation's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

4. Violations of the Conflict of Interest Policy

- a. If the board of directors or committee has reasonable cause to believe any Interested Person has failed to disclose an actual or possible conflict of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.

- b. If, after hearing the member's response and after making further investigation as warranted by the circumstances, the board of directors or committee determines that the Interested Person has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

Article IV
Records of Proceedings

The minutes of the board of directors and of all committees with powers delegated by the board of directors shall contain:

- a. The names of the persons who disclosed or otherwise were found to have an Interest in connection with an actual or possible conflict of interest, the nature of the Interest, any action taken to determine whether a conflict of interest was present, and the board's or committee's decision as to whether a conflict of interest in fact existed.
- b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

Article V
Compensation

- a. A voting member of the board of directors who receives Compensation, directly or indirectly, from the Corporation for services is precluded from voting on matters pertaining to that member's Compensation.
- b. A voting member of any committee whose jurisdiction includes Compensation matters and who receives Compensation, directly or indirectly, from the Corporation for services is precluded from voting on matters pertaining to that member's Compensation.
- c. No voting member of the board of directors or any committee whose jurisdiction includes Compensation matters and who receives Compensation, directly or indirectly, from the Corporation, either individually or collectively, is prohibited from providing information to any committee regarding Compensation from the Corporation.

Article VI
Annual Statements

Each director, principal officer and member of a committee with powers delegated by the board of directors shall annually sign a statement which affirms such person:

- a. Has received a copy of the conflict of interest policy
- b. Has read and understands the conflict of interest policy
- c. Has agreed to comply with the conflict of interest policy, and

- d. Understands the Corporation is a not-for-profit corporation and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

Article VII
Periodic Reviews

To ensure the Corporation operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether Compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining.
- b. Whether partnerships, joint ventures, and arrangements with management organizations conform to the Corporation's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

Article VIII
Use of Outside Experts

When conducting the periodic reviews as provided for in Article VII, the Corporation may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the board of directors of its responsibility for ensuring periodic reviews are conducted.

(c) Each member shall have one vote at a meeting of members. The Secretary of the Corporation (the “Secretary”) shall cause notice of each meeting of members including the annual meeting to be given to each member entitled to vote at such meeting in writing (i) by such electronic transmission or recognized overnight domestic courier service as such member may have specified to the Corporation or (ii) if no such means for notice shall have been specified by a member, by first class mail postage prepaid to such member’s postal address as shown on the records of the Corporation, not less than 10 days nor more than 60 days prior to the meeting except where a different notice period is required by law. Such notice shall specify (i) the place, if any, date and time of such meeting, (ii) the means of remote communications, if any, by which members and proxy holders may be deemed to be present in person and vote at such meeting, (iii) in the case of a special meeting, the purpose or purposes for which such meeting is called, and (iv) such other information as may be required by law or as may be

deemed appropriate by the Board. The quorum for a meeting of members shall be that number of members equal to a majority of the total number of directors authorized at such time and unless otherwise required by law, the certificate of incorporation or these bylaws the members shall act by a vote of a majority of the members present at any meeting at which a quorum is present. The Board may establish additional rules for conducting or adjourning a meeting of members to the extent consistent with the DGCL, the Corporation's certificate of incorporation and these bylaws.

(d) The record date for determining members eligible to vote for any meeting of members shall be the close of business on the day prior to the sending of notice to members or, if all members waive notice, the date of such meeting. Each member entitled to vote at a meeting of members may authorize another person or persons to act for such member by proxy. A member may revoke any proxy which is not by law irrevocable by attending the meeting and voting in person or by filing with the Secretary either an instrument in writing revoking the proxy or another duly executed proxy bearing a later date.

(e) A waiver of notice of meeting by a member provided to the Corporation in writing or by electronic transmission, whether given before or after the meeting time stated in such notice, is deemed equivalent to notice. Attendance of a member at a meeting is a waiver of notice of such meeting, except when the member attends a meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business at the meeting on the ground that the meeting is not lawfully called or convened.

(f) Action by the members without a meeting requires the consent of a majority of the members except action regarding an amendment to the Corporation's bylaws, which requires unanimous consent.

ARTICLE III

BOARD OF DIRECTORS

Section 3.01 General Powers. Except as may otherwise be provided by law or by its certificate of incorporation, the business and affairs of the Corporation shall be managed by or under the direction of the Board, which shall be, and shall possess all the powers of, the "governing body" of the Corporation under the DGCL. The directors shall act only as a Board, and the individual directors shall have no power as such.

Section 3.02 Number of Directors. There shall initially be the number of directors set forth in the Corporation's certificate of incorporation. The Board may from time to time authorize, by resolution adopted by the affirmative vote of directors constituting a majority of the total number of directors authorized at the time of such vote, a change in the number of members in the Board, but the number shall at all times be not less than three and not more than nine. Each of the directors shall be a natural person.

Section 3.03 Election of Directors. The initial directors of the Corporation shall be the persons named in its certificate of incorporation. The initial directors shall serve until the first annual meeting of members. Except as otherwise provided in Section 3.13 and Section 3.15 of these bylaws, the directors shall be elected at each annual meeting of members by the vote of

a majority of the persons then constituting the members. Each director shall hold office until the next annual meeting of members and until his or her successor has been duly elected and qualified, or until his or her earlier death, resignation or removal.

Section 3.04 Annual and Regular Meetings. The annual meeting of the Board for the purpose of electing officers of the Corporation and for the transaction of such other business as may properly come before the meeting shall be held each year either within or without the State of Delaware on such date and at such time and place as are designated by resolution of the Board and in any event shall occur reasonably promptly after the annual meeting of members referred to in Section 2.02(a). Regular meetings of the Board shall be held on such dates, and at such times and places as are determined from time to time by resolution of the Board.

Section 3.05 Special Meetings. Special meetings of the Board shall be held whenever called by the Chair, the Executive Director or, in the event of the absence or disability of either of such persons, by any Vice President, or upon written demand of not less than one-third of the total authorized number of directors, at such place, date and time as may be specified in the respective notices of such meetings. Any business may be conducted at a special meeting.

Section 3.06 Notice of Meetings; Waiver of Notice.

(a) Notice of the annual meeting of the Board need not be given if it is held immediately after the annual meeting of members for the election of directors and all directors not present at such meeting of members are present at the meeting of the Board. Notice of regular meetings of the Board need not be given if notice of the resolution setting forth the date, time and place of regular meetings of the Board has been given in the manner contemplated by this Section. Notices of special meetings shall be given to each director, and notice of each resolution or other action affecting the date, time and place of one or more regular meetings shall be given to each director not present at the meeting adopting such resolution or other action (subject to Section 3.09 of these bylaws). Notices of meetings shall be given personally or by electronic transmission at least two days prior to the meeting, or by a writing delivered by a recognized overnight courier service dispatched at least three days prior to the meeting, or by regular mail (postage prepaid) dispatched at least six days prior to the meeting, directed to each director by such means of electronic transmission, or at such address, as the case may be, from time to time designated by such director to the Secretary.

(b) A written waiver of notice of meeting signed by a director or a waiver by electronic transmission by a director, whether given before or after the meeting time stated in such notice, is deemed equivalent to notice. Attendance of a director at a meeting is a waiver of notice of such meeting, except when the director attends a meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business at the meeting on the ground that the meeting is not lawfully called or convened.

Section 3.07 Quorum; Voting. At all meetings of the Board, the presence of a majority of the total number of directors authorized at the time of such vote shall constitute a quorum for the transaction of business. Except as otherwise required by law, the Corporation's certificate of incorporation or these bylaws, the vote of a majority of the directors present at any

meeting at which a quorum is present shall be the act of the Board. An interested director may be counted in determining the presence of a quorum at a meeting of the Board that discusses, or authorizes as provided in Section 3.14, a contract or transaction in which such director is interested.

Section 3.08 Presence by Telephonic Communications. Members of the Board may participate in any meeting of the Board by means of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other at the same time, and participation in a meeting by such means shall constitute presence in person at such meeting.

Section 3.09 Adjournment. A majority of the directors present may adjourn any meeting of the Board to another date, time or place, whether or not a quorum is present. No notice need be given of any adjourned meeting unless (a) the date, time and place of the adjourned meeting are not announced at the time of adjournment, in which case notice conforming to the requirements of Section 3.06 of these bylaws applicable to special meetings shall be given to each director, or (b) the meeting is adjourned for more than 24 hours, in which case the notice referred to in clause (a) shall be given to those directors not present at the announcement of the date, time and place of the adjourned meeting. At any adjourned meeting, the directors may transact any business that might have been transacted at the original meeting.

Section 3.10 Action Without a Meeting. Any action required or permitted to be taken at any meeting of the Board may be taken without a meeting if all members of the Board consent thereto in writing or by electronic transmission and such writing or writings or electronic transmissions are filed with the minutes of proceedings of the Board. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

Section 3.11 Regulations. To the extent consistent with applicable law, the Corporation's certificate of incorporation and these bylaws, the Board may adopt such rules and regulations for the conduct of meetings of the Board and for the management of the affairs and business of the Corporation as the Board may deem appropriate. The Board may elect a chairperson (the "Chair") and one or more vice-chairpersons to preside over meetings and to perform such other duties as may be designated by the Board.

Section 3.12 Resignations of Directors. Any director may resign at any time by delivering a written notice of resignation signed by such director or by submitting an electronic transmission, to the Executive Director, Secretary or the Board. Unless otherwise specified therein, such resignation shall take effect upon delivery.

Section 3.13 Removal of Directors. Any director may be removed at any time, either for or without cause, upon the affirmative vote of a majority of the total authorized number of members, acting at a meeting of members or by written consent in accordance with the DGCL and these bylaws, and such removal shall take effect immediately upon such vote. Any vacancy in the Board caused by any such removal may be filled at such meeting (or in the written instrument effecting such removal, if the removal was effected by written consent without a meeting) or in accordance with Section 3.11 of these bylaws.

Section 3.14 Conflicts of Interest. Any contract or transaction in which a director is interested must be approved by the Board acting in good faith through the affirmative vote of a majority of the disinterested directors then members of the Board (being not less than two directors) or by a committee made up of at least three disinterested directors after disclosure to the Board of all material facts as to the director's relationship to or interest in the contract or transaction and as to the nature of the contract or transaction, and the fact that an interested director participated in meetings discussing or approving any such contract or transaction shall not make the approval void or voidable.

Section 3.15 Vacancies and Newly Created Directorships. If any vacancies shall occur in the Board, by reason of death, resignation, removal or otherwise, or if the authorized number of directors shall be increased, the directors then in office shall continue to act. Any such vacancies or newly created directorships may be filled only by a majority of the directors then in office, although less than a quorum, or by a sole remaining director. A director elected to fill a vacancy or a newly created directorship shall hold office until the next annual meeting of members and until his or her successor has been duly elected and qualified, or until his or her earlier death, resignation or removal.

Section 3.16 Compensation. The directors will not be compensated for their services as such but the Board may by resolution determine the expenses in the performance of such services for which a director is entitled to reimbursement.

Section 3.17 Reliance on Accounts and Reports, etc. In the performance of his or her duties, a director shall be fully protected in relying in good faith upon the records of the Corporation and upon information, opinions, reports or statements presented to the Corporation by any of its officers or employees or by any other person as to the matters the director reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Corporation.

ARTICLE IV

OFFICERS

Section 4.01 Officers. The officers of the Corporation shall include an Executive Director and a Secretary. The Board may also elect a Treasurer, one or more Vice Presidents, Assistant Secretaries or Assistant Treasurers, and such other officers and agents as the Board may determine. In addition, the Board from time to time may by a vote of a majority of the total authorized number of directors delegate to any officer the power to appoint subordinate officers or agents and to prescribe their respective rights, terms of office, authorities and duties. Any number of offices may be held by the same person, except that one person may not hold both the office of Executive Director and the office of Secretary. No officer need be, but any officer may be, a director of the Corporation.

Section 4.02 Election of Officers. Unless otherwise determined by the Board, the officers of the Corporation shall be elected by the Board at the annual meeting of the Board and shall hold office until the next succeeding annual meeting of the Board. If officers are not elected at such annual meeting, officers may be elected at any regular or special meeting of the

Board. Officers and agents appointed pursuant to delegated authority as provided in Section 4.01 (or, in the case of agents, as provided in Section 4.06) shall hold their offices for such terms and shall exercise such powers and perform such duties as may be determined from time to time by the appointing officer. Each officer shall hold office until his or her successor shall have been elected or appointed and qualified, or until such officer's earlier death, resignation or removal.

Section 4.03 Removal and Resignation of Officers; Vacancies. Any officer or agent, however appointed, may be removed for or without cause at any time by the Board. Any officer granted the power to appoint subordinate officers and agents as provided in Section 4.01 may remove any subordinate officer or agent appointed by such officer, for or without cause. Any officer may resign at any time by delivering notice of resignation, either in writing signed by such officer or by electronic transmission, to the Board or the Executive Director. Unless otherwise specified therein, such resignation shall take effect upon delivery. Any vacancy occurring in any office of the Corporation by death, resignation, removal or otherwise, shall be filled by the Board or by the officer, if any, who appointed the person formerly holding such office.

Section 4.04 Compensation of Officers. The salaries and other compensation of all officers and agents of the Corporation (acting in such capacities) shall be decided by the Board or a committee of the Board. The Board or such committee may delegate to the Executive Director and/or other senior officers of the Corporation on such terms as it shall see fit the power to set the salaries and other compensation of subordinate officers and agents of the Corporation. Compensation decisions made by the Board or a committee of the Board require the affirmative vote of a majority of the disinterested directors then members of the Board or such committee. For the purposes of this Section 4.04, an "interested" director is a director who is an officer of the Corporation, or who during the past 12 months received any compensation from or otherwise engaged in a business transaction with the Corporation (other than for service in his or her capacity as a director or in reimbursement of expenses incurred as a director), or who at any time during the past 12 months was an officer or director of, or had a significant ownership interest in, an entity which transacted business with the Corporation during such period.

Section 4.05 Authority and Duties of Officers; Conflicts of Interest. The officers of the Corporation shall have such authority and shall exercise such powers and perform such duties as may be specified in these bylaws, and in any event each officer shall exercise such powers and perform such duties as may be required by law. Any contract or transaction in which an officer has an interest must be approved by a majority of disinterested directors then members of the Board or by a committee made up of at least three disinterested directors after disclosure to the Board of all material facts as to the officer's relationship to or interest in the contract or transaction and as to the nature of the contract or transaction.

Section 4.06 Executive Director. The Executive Director shall be the chief executive officer of the Corporation, have general control and supervision of the affairs and operations of the Corporation, keep the Board fully informed about the activities of the Corporation and see that all orders and resolutions of the Board are carried into effect. He or she shall manage and administer the Corporation's business and affairs and shall also perform all duties and exercise all powers usually pertaining to the office of a chief executive officer of a corporation. He or she shall have the authority to sign, in the name and on behalf of the

Corporation, checks, orders, contracts, leases, notes, drafts and all other documents and instruments in connection with the business of the Corporation. He or she shall have the authority to cause the employment or appointment of such employees or agents of the Corporation as the conduct of the business of the Corporation may require, to fix their compensation, and to remove or suspend any employee or any agent employed or appointed by any officer or to suspend any agent appointed by the Board. The Executive Director shall have the duties and powers of the Treasurer if no Treasurer is elected and shall have such other duties and powers as the Board may from time to time prescribe.

Section 4.07 Vice Presidents. If one or more Vice-Presidents have been designated, each Vice-President shall perform such duties and exercise such powers as may be assigned to him or her from time to time by the Board or the Executive Director. In the absence of the Executive Director, the duties of the Executive Director shall be performed and his or her powers may be exercised by such Vice President as shall be designated by the Executive Director, or failing such designation, such duties shall be performed and such powers may be exercised by each Vice President in the order of his or her earliest election to that office.

Section 4.08 Secretary. The Secretary shall act as Secretary of all meetings of shareholders and of the Board at which he is present, shall record all the proceedings of all such meetings in a book to be kept for that purpose, shall have supervision over the giving and service of notices of the Corporation and shall have supervision over the care and custody of the records and seal of the Corporation. The Secretary shall be empowered to affix the corporate seal to documents, the execution of which on behalf of the Corporation under its seal is duly authorized, and when so affixed may attest the same. The Secretary shall have all powers and duties usually incident to the office of Secretary except as specifically limited by a resolution of the Board. The Secretary shall have such other powers and perform such other duties as may be assigned to him from time to time by the Board or the Executive Director.

Section 4.09 Treasurer. The Treasurer, if appointed, shall be the chief financial officer of the Corporation and shall:

(a) have charge and supervision over and be responsible for the moneys, securities, receipts and disbursements of the Corporation, and keep or cause to be kept full and accurate records of all receipts of the Corporation;

(b) cause the moneys and other valuable effects of the Corporation to be deposited in the name and to the credit of the Corporation in such banks or trust companies or with such bankers or other depositaries as shall be determined by the Board or the Executive Director, and by such other officers of the Corporation as may be authorized by the Board or the Executive Director to make such determination;

(c) cause the moneys of the Corporation to be disbursed by checks or drafts (signed by such officer or officers or such agent or agents of the Corporation, and in such manner, as the Board or the Executive Director may determine from time to time) upon the authorized depositaries of the Corporation and cause to be taken and preserved proper vouchers for all moneys disbursed;

(d) render to the Board or the Executive Director, whenever requested, a statement of the financial condition of the Corporation and of all his or her transactions as Treasurer, and render a full financial report at the annual meeting of the Board, if called upon to do so;

(e) be empowered from time to time to require from all officers or agents of the Corporation reports or statements giving such information as he or she may desire with respect to any and all financial transactions of the Corporation; and

(f) have all the powers and perform all duties otherwise customarily incident to the office of treasurer, subject to the control of the Board, and, in addition, shall have such other powers and perform such other duties as may be specified in these bylaws or as may be assigned to him or her from time to time by the Board or the Executive Director.

ARTICLE V

COMMITTEES

Section 5.01 Designation of Committees. The Board may designate one or more committees. Each committee shall consist of such number of directors as from time to time may be fixed by the Board. Each committee shall have and may exercise all the powers and authority of the Board in the management of the business and affairs of the Corporation to the extent permitted by law and delegated to such committee by resolution of the Board, *provided* that no committee shall have any power or authority in reference to the following matters:

(a) amendments to the Corporation's certificate of incorporation or these bylaws;

(b) filling of vacancies in the Board or in any committee;

(c) amending or repealing any resolution of the Board that by its terms may not be so amended or repealed;

(d) delegating any of the power or authority of such committee to a subcommittee unless so authorized by the Board;

(e) approval of any conflict of interest referred to in Section 3.14 or Section 4.05; or

(f) any other matter that pursuant to the DGCL is excluded from the authority of a committee of the Board.

Section 5.02 Committee Members. The members of each committee shall be selected by the Board and shall serve at the pleasure of the Board. Each member of any committee (whether designated at an annual meeting of the Board or to fill a vacancy or otherwise) shall hold office only until the earliest of the next annual meeting of the Board, the time he or she shall cease to be a director, or his or her earlier death, resignation or removal.

Section 5.03 Committee Procedures. At any meeting of any committee, the presence of a majority of its members then in office shall constitute a quorum for the transaction of business, unless (a) such committee has only one or two members, in which case a quorum shall be one member, or (b) a greater quorum is established by the Board. The vote of a majority of the committee members present at a meeting at which a quorum is present shall be the act of the committee. Each committee shall keep regular minutes of its meetings and report to the Board when required. The Board may adopt other rules and regulations for the government of any committee not inconsistent with the provisions of these bylaws, and each committee may adopt its own rules and regulations of government, to the extent not inconsistent with these bylaws or rules and regulations adopted by the Board.

Section 5.04 Meetings and Actions of Committees. Meetings and actions of each committee shall be governed by, and held and taken in accordance with, the provisions of the following sections of these bylaws, with such bylaws being deemed to refer to the committee and its members in lieu of the Board and its members:

- (a) Section 3.04 (to the extent relating to place and time of regular meetings);
- (b) Section 3.05 (relating to special meetings);
- (c) Section 3.06 (relating to notice and waiver of notice);
- (d) the last sentence of Section 3.07 (relating to participation of interested directors);
- (e) Section 3.08 and Section 3.10 (relating to telephonic communication and action without a meeting); and
- (f) Section 3.09 (relating to adjournment and notice of adjournment).

Special meetings of committees may also be called by resolution of the Board.

Section 5.05 Resignations and Removals of Committee Members. Any member of any committee may resign from such position at any time by delivering a written notice of resignation, either in writing signed by such member or by electronic transmission, to the Board or the Executive Director. Unless otherwise specified therein, such resignation shall take effect upon delivery. Any member of any committee may be removed from such position at any time, either for or without cause, by resolution adopted by a majority of the total authorized number of directors acting at a meeting of the Board or by written consent in accordance with the DGCL and these bylaws.

Section 5.06 Vacancies on Committees. If a vacancy occurs in any committee for any reason the remaining members may continue to act if a quorum is present. A committee vacancy may only be filled by a majority of the total authorized number of directors.

ARTICLE VI

INDEMNIFICATION

Section 6.01 Indemnification.

(a) Subject to Section 6.01(d), the Corporation shall indemnify, to the fullest extent permitted by the DGCL or applicable law, any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (each, a “proceeding”) by reason of the fact that such person is or was a director or officer of the Corporation, or is or was serving at the request of the Corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been taken or omitted by such person in such capacity, and who satisfies the applicable standard of conduct set forth in section 145 of the DGCL and any other applicable law:

(i) in a proceeding other than a proceeding by or in the right of the Corporation to procure a judgment in its favor, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person or on such person’s behalf in connection with such proceeding and any appeal therefrom, or

(ii) in a proceeding by or in the right of the Corporation to procure a judgment in its favor, against expenses (including attorneys’ fees but excluding judgments, fines and amounts paid in settlement) actually and reasonably incurred by such person or on such person’s behalf in connection with the defense or settlement of such proceeding and any appeal therefrom (but if such person shall have been adjudged to be liable to the Corporation indemnification of expenses is permitted under this clause (ii) only upon a judicial determination in accordance with the requirements of section 145(b) of the DGCL as to such person’s entitlement to indemnification).

(b) To the extent that a present or former director or officer of the Corporation has been successful on the merits or otherwise in defense of any proceeding referred to in Section 6.01(a) or in defense of any claim, issue or matter therein, such person shall be indemnified by the Corporation against expenses (including attorneys’ fees) actually and reasonably incurred by such person in connection therewith.

(c) Section 6.01(a) does not require the Corporation to indemnify a present or former director or officer of the Corporation in respect of a proceeding (or part thereof) instituted by such person on his or her own behalf, unless such proceeding (or part thereof) has been authorized by the Board or the indemnification requested is pursuant to the last sentence of Section 6.03 of these bylaws.

Section 6.02 Advance of Expenses. The Board may but need not authorize the Corporation to advance, on such terms and conditions as the Board shall deem appropriate, some or all expenses (including reasonable attorneys’ fees) incurred by a present or former director or

officer in defending any proceeding prior to the final disposition of such proceeding upon written request of such person and delivery of an undertaking by such person to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Corporation under this Article or applicable law. The Corporation may authorize any counsel for the Corporation to represent (subject to applicable conflict of interest considerations) such present or former director or officer in any proceeding, whether or not the Corporation is a party to such proceeding.

Section 6.03 Procedure for Indemnification. Any indemnification under Section 6.01 of these bylaws or any advance of expenses under Section 6.02 of these bylaws shall be made only against a written request therefor (together with supporting documentation) submitted by or on behalf of the person seeking indemnification or an advance of expenses. Indemnification may be sought by a person under Section 6.01 of these bylaws in respect of a proceeding only to the extent that both the liabilities for which indemnification is sought and all portions of the proceeding relevant to the determination of whether the person has satisfied any appropriate standard of conduct have become final. A person seeking indemnification may seek to enforce such person's rights to indemnification (as the case may be) in the Delaware Court of Chancery to the extent all or any portion of a requested indemnification has not been granted within 90 days of the submission of such request. All expenses (including reasonable attorneys' fees) incurred by such person in connection with successfully establishing such person's right to indemnification under this Article, in whole or in part, shall also be indemnified by the Corporation.

Section 6.04 Burden of Proof. In any proceeding brought to enforce the right of a person to receive indemnification to which such person is entitled under Section 6.01 of these bylaws, the Corporation has the burden of demonstrating that the standard of conduct applicable under the DGCL or other applicable law was not met. A prior determination by the Corporation (including its Board or any committee thereof, or its independent legal counsel) that the claimant has not met such applicable standard of conduct does not itself constitute evidence that the claimant has not met the applicable standard of conduct.

Section 6.05 Contract Right: Non-Exclusivity; Survival.

(a) The rights to indemnification provided by this Article VI shall be deemed to be separate contract rights between the Corporation and each director and officer who serves in any such capacity at any time while these provisions as well as the relevant provisions of the DGCL are in effect, and no repeal or modification of any of these provisions or any relevant provisions of the DGCL shall adversely affect any right or obligation of such director or officer existing at the time of such repeal or modification with respect to any state of facts then or previously existing or any proceeding previously or thereafter brought or threatened based in whole or in part upon any such state of facts. Such "contract rights" may not be modified retroactively as to any present or former director or officer without the consent of such director or officer.

(b) The rights to indemnification and advancement of expenses provided by this Article VI shall not be deemed exclusive of any other indemnification or advancement of expenses to which a present or former director or officer of the Corporation may

be entitled as to action in such person's official capacity or as to action in another capacity while holding such office. A right to indemnification or to advancement of expenses arising under this Article VI shall not be eliminated or impaired by an amendment to this Article VI after the occurrence of the act or omission that is the subject of the civil, criminal, administrative or investigative action, suit or proceeding for which indemnification or advancement of expenses is sought.

(c) The rights to indemnification and advancement of expenses provided by this Article VI to any present or former director or officer of the Corporation shall inure to the benefit of the heirs, executors and administrators of such person.

Section 6.06 Insurance. The Corporation may purchase and maintain insurance on behalf of any person who is or was or has agreed to become a director or officer of the Corporation, or is or was serving at the request of the Corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person or on such person's behalf in any such capacity, or arising out of such person's status as such, whether or not the Corporation would have the power to indemnify such person against such liability under the provisions of this Article VI.

Section 6.07 Employees and Agents. The Board may cause the Corporation to indemnify any present or former employee or agent of the Corporation in such manner and for such liabilities as the Board may determine, up to the fullest extent permitted by the DGCL and other applicable law.

Section 6.08 Interpretation; Severability. Terms defined in sections 145(h) or (i) of the DGCL have the meanings set forth in such sections when used in this Article VI. If this Article or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify each director or officer of the Corporation as to costs, charges and expenses (including attorneys' fees), judgments, fines and amounts paid in settlement with respect to any action, suit or proceeding, whether civil, criminal, administrative or investigative, including an action by or in the right of the Corporation, to the fullest extent permitted by any applicable portion of this Article that shall not have been invalidated and to the fullest extent permitted by applicable law.

The Board may by resolution from time to time confer such power and authority (in general or confined to specific instances) upon any other person or persons.

Section 8.05 Seal. The seal of the Corporation shall be circular in form and shall contain the name of the Corporation, the year of its incorporation and the words "Corporate Seal" and "Delaware". The form of such seal shall be subject to alteration by the Board. The seal may be used by causing it or a facsimile thereof to be impressed, affixed or reproduced, or may be used in any other lawful manner.

Section 8.06 Books and Records; Inspection. Except to the extent otherwise required by law, the books and records of the Corporation shall be kept at such place or places within or without the State of Delaware as may be determined from time to time by the Board.

³ See Section 403.

⁴ See Section 450 (Home Enterprises) for requirement for Conditional Use Permit.

⁵ See Definition (Residential Care Home or Group Home) for detailed explanation of applicability.

⁶ Retail Area is defined as the gross floor area of all spaces associated with and required for the retail use, including but not limited to selling areas, service areas, storage areas, support and employee areas, and rest rooms, all measured to the outside face of the exterior walls.

⁷ See Article VI - Telecommunications Facilities. In the Village District, a Telecommunication Facility is only allowed if it is concealed within an existing building.

Section 320 - Official Zoning Map

The location and boundaries of Zoning Districts are established as shown on the attached Official Zoning Map. The Official Zoning Map consists of four maps: Map 1 of 4, Zoning Districts; Map 2 of 4; Wildlife Habitat Overlay; Map 3 of 4; Flood and Fluvial Erosion Hazard Area Overlays; Map 4 of 4: Shoreland and Surface Water Buffer Overlays. The Official Zoning Map is hereby made a part of these Regulations together with all future amendments.

ARTICLE III - ESTABLISHMENT OF ZONING DISTRICTS AND ZONING MAP

No amendment to these Regulations which involves matter portrayed on the Official Zoning Map shall become effective until after such change and entry has been made on said map, signed by the legislative body, and attested to by the Town Clerk. Regardless of the existence of copies of the Official Zoning Map which may from time to time be made or published, the Official Zoning Map which shall be located in the office of the Town Clerk shall be the final authority as to the current zoning status of land and water areas.

Section 330 - Interpretation of District Boundaries

The locations of zoning district boundaries are established as shown on the official Zoning Map. Where due to scale, lack of detail or illegibility by the zoning map there is any uncertainty, contradiction, or conflict as to the intended location of any zoning district boundary shown thereon, the Development Review Board shall make an interpretation, upon request, by any aggrieved party. Any additional expense such as surveying shall be borne by the applicant.

Section 331 - Overlay Districts

General Description: Overlay districts are superimposed over the existing zoning map. Without altering the underlying zoning, a superimposed, additional district or zone is created. Special zoning regulations apply within the area covered by the overlay district. The regulations of the overlay district are in addition to the regulations of the underlying zoning scheme. The overlay district may completely cover certain existing zones, while partially intruding or avoiding other zones. It may overlap with the majority of the land within the municipality's borders; or cover only a very small portion.

Section 340 - Unused

Section 350 - Wildlife Habitat Overlay District (WH)

District Description, Authority, and Purpose: Pursuant to Section 4414(2) of the Act, there is hereby established a Wildlife Habitat Overlay District for the Town of Marlboro. The purpose of establishing a Wildlife Habitat Overlay District is to encourage landowners to locate structures and development near roads rather than extending development into core forest blocks, to guide development in a manner that preserves large tracts of undeveloped interior land across property lines, and to thus accommodate the life requirements and movement of wildlife across a broad landscape. The ecological value of maintaining large areas of connected habitat is to reduce the harmful effects of habitat fragmentation and population isolation and to reduce the risk of local population extinctions by enabling migration, reproduction, and exchange of genes for many plant and animal species. The prevention of forest fragmentation is particularly important for wide-ranging animals, such as bobcats, moose, and black bears, or for animals that require a great deal of space to meet their daily life needs, including food and mating needs.

Section 351 - Establishment of District Boundaries

The Wildlife Habitat Overlay District includes all areas more than 500 feet from a State Highway or Class 2, or 3 town road. Areas within the Wildlife Habitat Overlay District are shown as Wildlife Habitat Overlay on the Zoning Map - 2 of 4, Wildlife Habitat Overlay. It is not the Town's intention to prevent development in these areas but rather to require that any such development will avoid or minimize impacts on sensitive wildlife resources and habitat.

Where the boundary of the Wildlife Habitat Overlay District divides a lot of record such that part of the lot falls within the Wildlife Habitat Overlay District and part of the lot falls outside of it, the provisions of this Article shall apply to only that portion of the lot that falls within the Wildlife Habitat Overlay District. This supersedes Section 411 of these Regulations.

According to the Vermont Fish and Wildlife Department, land included in Marlboro's proposed Wildlife Habitat Overlay District falls within an eco-regional significant habitat connectivity area connecting the Southern Green

Dear President Pelton:

I am pleased to inform you that at its meeting on June 23, 2020, the New England Commission of Higher Education voted to encompass the Marlboro Institute for Liberal Arts and Interdisciplinary Studies within the institution's accreditation. A site visit to assess implementation will be scheduled for Spring 2021.

The transfer of fiscal and faculty resources from Marlboro College to Emerson College appears well designed and will both advance the liberal arts at Emerson and promote the core principles of the "Marlboro Promise" in a new setting.

Sincerely,

TREASURY DEPARTMENT

WASHINGTON 25

OFFICE OF
COMMISSIONER OF INTERNAL REVENUE

JUN 30 1949

ADDRESS REPLY TO
COMMISSIONER OF INTERNAL REVENUE
AND REFER TO

IT:P:T:1

RWL

The Corporation of Marlboro College
c/o Henry Z. Persons
Marlboro, Vermont

Gentlemen:

It is the opinion of this office, based upon the evidence presented, that you are exempt from Federal income tax under the provisions of section 101(6) of the Internal Revenue Code and corresponding provisions of prior revenue acts, as it is shown that you are organized and operated exclusively for educational purposes.

Accordingly, you will not be required to file income tax returns unless you change the character of your organization, the purposes for which you were organized, or your method of operation. Any such changes should be reported immediately to the collector of internal revenue for your district in order that their effect upon your exempt status may be determined.

Furthermore, under substantially identical authority contained in sections 1426 and 1607 of the Code and/or corresponding provisions of the Social Security Act, the employment taxes imposed by such statutes are not applicable to remuneration for services performed in your employ so long as you meet the conditions prescribed above for retention of an exempt status for income tax purposes.

Contributions made to you are deductible by the donors in arriving at their taxable net income in the manner and to the extent provided by section 23(o) and (q) of the Internal Revenue Code, as amended, and corresponding provisions of prior revenue acts.

- 2 -

The Corporation of Marlboro College

Bequests, legacies, devises or transfers, to or for your use are deductible in arriving at the value of the net estate of a decedent for estate tax purposes in the manner and to the extent provided by sections 812(d) and 861(a)(3) of the Code and/or corresponding provisions of prior revenue acts. Gifts of property to you are deductible in computing net gifts for gift tax purposes in the manner and to the extent provided in section 1004(a)(2)(B) and 1004(b)(2) and (3) of the Code and/or corresponding provisions of prior revenue acts.

It will not be necessary for you to file the annual return of information, Form 990, generally required of organizations exempt under section 101 of the Internal Revenue Code, as you come within the specific exceptions contained in section 54(f) of the Code.

The collector of internal revenue for your district is being advised of this action.

By direction of the Commissioner

Very truly yours,

Deputy Commissioner

Jamie -

Marlboro had 24 tenured/tenure-track faculty members eligible to go to Emerson.

Two chose to retire and two left for other opportunities.

Of the twenty remaining, sixteen will have their primary appointment within the Institute, two of whom will be in a reduced teaching contract. Four will have primary appointments in other programs, but will maintain a secondary appointment within the Institute. All Marlboro faculty will be part of the Marlboro Institute.

Is this statement accurate? If not, what are the current anticipated numbers?

Following the proposed Asset Exchange Agreement, 18 of 21 Marlboro College tenured or tenure-track faculty would transition to Emerson College. 14 would be housed within the Marlboro Institute.

Jamie

UVM shall manage and care for these collections according to accepted professional standards and in accordance with its educational mission and objectives. MC is intending to transfer to UVM such right, title, and interest in and to the physical property to the extent MC owns such, and MC hereby transfers to UVM the right of physical possession of such property, including by not limited to correspondence, manuscripts, documents, photographs and other materials; any and all copyrights which may be owned by MC on materials held in this collection and which are transferred to UVM hereunder. UVM is aware that there may be items in the collection to which MC does not own copyright or other interests, e.g., by way of example and not by way of limitation, a photograph within a magazine, and for such items, MC has only a right of possession. MC leaves it to UVM to establish the procedures and rules for the housing and using of this collection, with the understanding that MC community members, researchers, and the public will have reasonable access to these materials. Description of Collection Referred to Above:

Marlboro College Archives

The Marlboro College Archives collection spans roughly 275 linear feet and contains a variety of formats/object types. The majority of the collection consists of printed materials on paper, including MC catalogs and handbooks, *The Citizen* newspaper, yearbooks, scrapbooks, the

Potash Hill magazine (the semi-annual College publication), and historical MC ephemera. Additionally, as part of the early MC history, the collection contains documents concerning Walter Hendricks and Robert Frost. The collection also includes cassette tapes and VHS tapes recording campus events, capturing on-campus concerts featuring notable musicians, such as Blanche Moyses and Luis Batlle, and speakers, like Loren Pope and Saul Bellow, as well as oral histories of alumni from MC's first few graduating classes. The collection also includes photographs of campus life and a small collection of three-dimensional objects. The earliest materials in the collection date back to the mid-1940's and continue to the present time. There may be materials in the collection to which MC does not own copyright or any other right except the right of possession.

Plans of Concentration

Measuring 206 linear feet, the Plans of Concentration document individual student work spanning from the early 1950's to present day. All Plans are bound and professionally cataloged in MARC records with digital preservation copies. MC has only the right of possession on these Plans.

Faculty & Alumni Collection

Measuring 17 linear feet, the Rice-Aron Library has collected publications from Marlboro's faculty & alumni. MC has only the right of possession of these publications.

Artist Book Collection

4 linear feet; closed stacks. Cataloged with MARC records. Small format Artists Books on wide ranging topics. MC has only the right of possession on these Artists Books.

Zine Collection

8 linear feet; open stacks. While this collection has some foundational organization, it is largely a browsing collection. Contains a mixture of commercially distributed zines and zines created by Marlboro community members. MC has only the right of possession on these zines.

Kipling Collection

Spanning 60 linear feet; closed stacks. Professionally processed with grant funding. Concentrating on Rudyard Kipling's 5 years in Vermont, this collection consists of three distinct item types: books & journal articles, photographs, and primary source documents. The books

and journal articles collection includes many rare and first editions and journal articles in their original volumes. Most materials are from the Howard C. Rice, Jr. Collection. Many of the first editions have been appraised, but a number of years ago. The photograph collection primarily focuses on Kipling's Vermont years (1892-1896) and includes a broad spectrum of images of Kipling, his family, friends, relatives and Naulakha. Most images are from the F. Cabot Holbrook Collection, owned by The Landmark Trust USA. Please see separate transfer permission document from The Landmark Trust USA, upon which the transfer of possession of these particular items is contingent. The primary source documents collection includes materials related to Rudyard Kipling that were stored in a Brattleboro, VT bank vault for nearly 100 years. This box apparently had been left behind when the Kiplings left Vermont in 1896. For all of the foregoing items described above, these items have been in MC's possession. Unless a prior agreement specifically grants ownership to MC, MC claims no ownership interest in items in the Kipling Collection, and is transferring the right of possession.

Date when UVM will take possession of materials: _____

Terms and Conditions:

1. By execution of this Deed of Gift, MC expressly represents and warrants to UVM that MC is fully authorized to transfer to UVM the right of possession of all items that are the subject of this agreement. MC makes no other representations or warranties. To the extent MC may have copyright interest in any of these items, MC transfers to UVM all such right title and interest. In other words, MC is transferring only such rights as MC may have with respect to items the subject of this agreement, and no other rights. MC has made no prior pledge, option, or gift of any part thereof to any person regarding these collections, and that MC has the right to give or transfer the collections within the limits described herein. The materials are transferred "as is".
2. In the event that UVM can no longer house the Marlboro College Archives Collection, UVM agrees in a reasonable and professional manner to find another suitable home for the Collection and make reasonable efforts to communicate with any existing MC stakeholders regarding the status of the Collection.
3. Digital copies for the Plans of Concentration are for preservation purposes and may not be distributed online until materials are in the public domain. The parties agree that generally materials published before 1925 could fall into the public domain during 2020, but MC makes no warranties regarding when any item in the Plans or any other item the

subject of this agreement might fall into the public domain. UVM would be solely responsible for making an independent determination of public domain status.

4. Until a Plan of Concentration is in the public domain, written permission of the author, or the author's heirs, is necessary in order to photocopy or otherwise reproduce a Plan or parts of a Plan. With the permission of the Plan author, or the author's heirs, UVM may supply copies of Plans of Concentration. UVM, and not MC, would be solely responsible for obtaining any such permissions.
5. Regarding MC's officers, directors, and any successors, UVM agrees to hold harmless, indemnify and defend them from any claims arising out of or in connection with this agreement and/or any right, title, and/or interest in and to any materials transferred hereunder.
