RE: Vermont Public Records Request

To Whom It May Concern:

I would like to request the following information under public records laws:

1. Any and all communication (including but not limited to email and text messages) between Molly Gray and any other Office of the Attorney General staff (including the Attorney General) on her run for elected office.
2. Any and all communication (including but not limited to email and text messages) between any Office of Attorney General staff (including the Attorney General) on Molly Gray's run for elected office.
3. Molly Gray's official calendars (digital and otherwise)
4. Any communication from Molly Gray asking for time off (paid or otherwise) after October 1, 2019.
5. Molly Gray's reimbursements submitted to the Office of the Attorney General, including, but not limited to mileage reimbursements, food reimbursements and hotel reimbursements since October 1, 2019.

Vermont's Public Records Law requires your "prompt" production of the above-requested documents and communications for my inspection. You may request additional time if "unusual circumstances" exist by providing me written notice, but 1 V.S.A. 318(5) states that such notice shall not state a production date of more than ten business days from receipt of this request. I request the production of the above requested documents in the most efficient manner. Please let me know if the cost involved for this runs over $500.

Thank you for your attention and response to my request.
