Hi Melanie:

Vermonters for a Clean Environment requests that you provide to us the records that your office has assembled regarding the CSWD matter as offered November 9, 2020. I see from the CSWD Board meeting minutes for this month that the Vermont Attorney General has arrived at finalized settlement agreement language that CSWD concurs with. Please include this agreement language (signed or unsigned by CSWD) and any additional related records developed since the original set was assembled. Please attach an invoice addressed to Annette Smith of Vermonters for a Clean Environment who is copied on this email:

Annette Smith, Executive Director
Vermonters for a Clean Environment

Danby, VT 05739

Thank you.
-John
