Re: Vermont Public Records Act request, dated February 11, 2021

Dear Henry:

I write with a cost estimate of providing records responsive to the remainder of your request for public records, dated February 11, 2021. Your request was for:

1. Any and all correspondence between the Attorney General and the Vermont Economic Progress Council (VEPC) and its executive director related to a letter sent by VEPC to the Attorney General on Feb. 1st, 2021.
2. Any and all correspondence between the Attorney General and Oliver Olsen of South Londonderry related to a letter sent by Olsen to the Attorney General on Feb. 3rd, 2021.
3. Any and all correspondence, including but not limited to emails, text messages, letters and faxes between Auditor Doug Hoffer and staff of the Attorney General's office in regards to the following topics: "Vermont Employment Growth Incentive," "VEGI," "Vermont Economic Progress Council," "VEPC," and "Marvell" dated from Nov. 1st, 2019 to present.

In a telephone conversation after your request was made, you clarified that by "Attorney General" you mean "Attorney Generals' Office."

On February 11, 2021, I emailed you records responsive to Nos. 1 and 2 of your request. Because the time spent complying with that portion of your request was 30 minutes, there was no charge. I now have a cost estimate for complying with No. 3 of your request. The estimated cost of complying with the remainder of your request is \$123.12. Per office policy, we can complete your request once we receive a check for the cost estimate. If the actual cost of complying with your request is less than this amount, we will refund you the difference.

If you wish to proceed, please send a check to my attention to:

Attorney General's Office
109 State St.
Montpelier VT 05609

Please let me know if you have any questions.

Sincerely,

/s/ _____
