Hi, Pat,

In follow-up to my voicemail message, our office requires clarification concerning your public records request for “Copies of all complaints made from Jan. 1, 2011, through the present regarding adoptions, including, but not limited to, complaints and adoption fraud.” Specifically, it is not clear to me which of our office’s divisions you believe may have responsive records. Further information about our office, its divisions, and scope of work can be found on [our website](#).

You also reference the Virginia Freedom of Information Act, but we follow the [Vermont Public Records Act](#).

Please feel free to email me or give me a call anytime to clarify your request. I can be reached at 802-917-1993. We will wait to hear from you before proceeding further.

Best,
Charity
