To Whom It May Concern,

Under the **Vermont Public Records Law, §315 et seq.**, seek the following information broken down for each employee:

- First Name
- Last Name
- E-mail Address (Work Email Only)
- Address – city, state, and zip code (for their Departments, not homes)

I understand there are multiple categories of public records and that some are exempt from disclosure. If you cannot satisfy every item outlined above, please provide those that are available. If this letter receives your address incorrectly, please pass it along to the department who may be in custody of these records. We have previously had these requests approved, and have received this information in the past, we are simply looking for a more recent version.

Our company educates Federal and State employees about retirement benefits, to best serve the public. We fall under the category of **Commercial Use** – *The requester or a representative seeks the records to further the commercial interests of the requester. The requester must pay for all search time, review time, and the cost of duplication.*

The statute requires a response in a reasonable time period. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies or the ability to inspect the requested records.

Please send the fee amount and the specific file – ideally, but not necessarily – in an Excel or CSV format to acannon@megastaradvisors.com. I agree to pay any costs to obtain this information. However, if over \$100.00, please contact me by email or by phone at 813-613-5385 to approve the cost for such records. Thank you in advance.

Thank you for considering my request.

Sincerely,

Ryan McCarty
