Good Morning, Ms. Deng:

I am in receipt of your request below. I am currently working with our records liaison to find this file and pull the AOD in which you reference. It can take a few days in order for them to pull old files which are sometimes stored offsite. With it now being Friday, would it be acceptable to say I will have this request completed by next Friday, 11/12? If for any reason it will be delayed, I will let you know.

Chances are it will be before then, but I do not know what sort of list the records division is working from at this time.

Please let me know if this arrangement works for you. In the meantime, let me know if I can answer any other questions for you.

Best,
