Hi Charity and Lauren,

I'd like to request the investigative file, including video and audio, for the review of the Rutland City shooting completed today.

Also, the press release refers to an independent eyewitness - can you describe who the eyewitness was and what they witnessed/corroborated?

I'm on deadline this afternoon for the story, but if the records aren't immediately available, I'd still like to receive them when they are.

Thanks,  
Derek
