Thanks Paul. I think that I'll forgo the request.

Hi Bruce,

We have found the documents that you have requested.

The cost to comply with your request would be \$121.62, which includes redactions, and it must be paid in advance.

If you wish to proceed, please let me know and I will tell you where to send a check.

I am not sure what you are expecting to find in the affidavits for the search warrants, but after the redactions there may be less than what has already been published about this case.

You may wish to consider filing a public records with the Windsor County Superior Court as they would have the same documents that I have and their cost may be less.

Best,

Paul

Thanks for the update Paul. Is there any cost estimate at this point?

Thanks,

Bruce

Hi Bruce,

We have 18 more boxes of documents to look through to find the documents you have requested.

I apologize for the delay in getting you the documents. This was a case that was not originally prosecuted by the Attorney General's Office.

As soon as we can find them, I will advise you.

Best regards,

Paul

Sure.

I'm looking for the applications related to two searches. The first was conducted on September 13th, 1994 and the second on September 19th, 1994. Both were performed at the Timber Creek condo complex in West Dover Vermont.

Thanks,
