Re: Public Records Request

Dear Bill Sanderson:

I write in response to your Public Record Act request dated July 5, 2022, in which you requested:

All press conference advisories (announcements about upcoming public press conferences) released by the Vermont AGO from Oct. 1, 2018 to March 1, 2019.

Enclosed you will find an initial production of records that are responsive to your request.

Due to delays in accessing archived email accounts that were outside of this office's control, we will need additional time to search for additional records. We will be back in touch as soon as practical following access to the archived accounts through the Agency of Digital Services and search of those accounts.

Sincerely,

/s/ Lauren Jandl

40TH ANNIVERSARY CELEBRATION OF COURT DIVERSION TO INCLUDE REMARKS BY AG & OTHERS

WHAT: Reception and Speeches

AG Donovan will join a celebration of 40 years of Vermont's Court Diversion Program. Recognizing that people and relationships have been harmed when someone commits an offense, Diversion empowers all stakeholders to collectively address the needs of the victim, the community, and the person who violated the law. The first Diversion program in Vermont opened in Washington County in 1976. Programs rapidly developed in other counties, and the Vermont Association of Court Diversion Programs formed in 1979.

In fiscal year 2018, prosecutors referred over 2,600 adults and youth to Diversion. These referrals account for approximately 20 percent of misdemeanor cases filed in criminal court.

The following are also expected to attend the reception:

Catherine Kalkstein (chair of the Vermont Association of Court Diversion Programs);
Tari Gingue (a volunteer from Caledonia County);
Jim Courchesne (a volunteer from Essex County);
Music of *Turnip Truck*, the bluegrass and folk band from Corinth

Also invited:
Gov. Phil Scott
All members of the Vermont legislature
