Re: Public Records Request

Dear Dom:

I write in response to your pending request for public records, dated October 24, 2022, and in follow-up to our telephone conversation today. Your request was for: *individual costs, to include travel, accommodation, and court fees for each witness the state has called to testify leading up to, and during trial. Costs for any Attorney travel, accommodation, fees, and other costs, including overtime payment if applicable. Costs for interpreter services (to include travel/accommodations/fees if necessary) leading up to, and during trial, and any additional costs associated with new technology/equipment to be used for interpretation and simultaneous interpretation. Additionally, any other cost incurred during/before this trial by the state, not mentioned, be included in the data.*

As discussed today, we will begin compiling information relative to your request. The purpose of this letter is to confirm our agreement for a rolling production of information, which will begin after the conclusion of the trial.

If you have any concerns, please feel free to contact me directly.

Sincerely,

/s/ Lauren Jandl

Lauren Jandl
