RE: Public Records Request – OIS / Woodstock 2022

Dear Mr. Donoghue,

The review of your Public Records request, dated October 19, 2022, has been completed. The materials requested contain numerous written and audio records which required their review and redaction before inspection. Those records available for inspection are:

- Crime Scene Search Team records
- Decedent (Wilson) records
- Interview Exhibits
- Multimedia
- Search Warrant materials
- Subpoenas
- VT Forensic Laboratory records
- VSP reports
- Witness Interviews
- Witness List
- Miscellaneous

Some requested records contained in the Vermont State Police investigative files are exempt from disclosure pursuant to provisions within 1 V.S.A. § 317. The following are the records not produced and their respective statutory exemptions:

Jay Wilson Autopsy Report	1 V.S.A. § 317(c)(5)(A)(iii)
Photographs showing decedent's body and/or bodily fluids	1 V.S.A. § 317(c)(5)(A)(iii)
Toxicology Report (Wilson)	1 V.S.A. § 317(c)(5)(A)(iii)
Sgt. Joseph Swanson medical records	1 V.S.A. § 317(c)(5)(A)(iii)

There were 18 recorded witness interviews that were not transcribed and, therefore, unable to be redacted. The cruiser video of Cpl. Mark Donka was also unable to be redacted. After your review of the non-exempt above-listed records, please contact me to discuss the records which were not able to be redacted and the available options.

Should you believe that the requested information has been withheld in error, you may appeal that decision in writing to Deputy Attorney General, Joshua Diamond, and addressed as follows:

Joshua Diamond, Esq.
Deputy Attorney General
Office of the Attorney General
109 State Street
Montpelier, VT 05609

Please contact me if you have any questions regarding this matter.

Sincerely,

/s/ Paul A. Barkus
