Re: Notice of Data Security Incident

Dear _____ :

Independent Living Systems, LLC (“ILS” or “we”) provides services to you and several health plans and their members, including Aetna; Devoted Health; ILS. We take very seriously the protection of the information entrusted to us in providing services.

We are writing to let you know about an event that may have involved your personal information and/or protected health information. It is important to note that we have no evidence at this time that your information has been used in a wrong way, but we are sending this letter to tell you what happened, what information was potentially involved, what we have done and what you can do to address this situation. Please read this letter carefully, because it provides details about what happened and what we are doing about it.

What Happened?

Like many companies, we use third party file transfer tools to move data. One such tool that is trusted by over 2,000 companies is MOVEit Transfer, a product offered by Progress Software. On May 31, 2023, Progress reported a previously unknown security vulnerability in MOVEit Transfer. ILS quickly ceased using MOVEit Transfer, disabled it in our system, and have not resumed its use. We have moved to other solutions for transfers and have not used MOVEit since the announcement of the vulnerability. Upon learning of the MOVEit Transfer vulnerability, we immediately launched an investigation to understand the potential impact.

What Information Was Involved?

Based on our investigation, it is possible that personal information including your personal health information or PHI were affected, including potentially your Health Insur Policy#/Subscriber#; Patient Address; Diagnosis / Conditions; Health Insur App/Claims Info; Patient Dates of Service; Patient Name; Date of Birth. While there is no evidence that the information has been used in a wrong manner, we did want to make you aware of the situation to be careful and so you can take the steps outlined below to protect yourself.

What We Are Doing

Immediately upon learning of this incident, we launched an investigation with the assistance of cyber experts, law enforcement, and outside lawyers. Please be assured that when we select third parties who provide us tools like this, we carefully evaluate the security features of the tool. We will continue this effort.

To help protect your identity, we are providing you with access to credit monitoring and remediation services at no charge through Cyberscout’s Identity Force, a TransUnion company specializing in fraud assistance and remediation services. These services provide you with alerts for two years from the date of enrollment when changes occur to

your credit file. This notification is sent to you the same day that the change or update to your credit file takes place with the bureau. These services also provide you with proactive fraud assistance to help with any questions that you might have or in event that you become a victim of fraud.

How do I enroll for the free services?

To enroll in Credit Monitoring services at no charge, please log on to <https://secure.identityforce.com/benefit/independentliving> and follow the instructions provided. When prompted please provide the following unique code to receive services: . In order for you to receive the monitoring services described above, you must enroll within 90 days from the date of this letter. The enrollment requires an internet connection and e-mail account and may not be available to minors under the age of 18 years of age. Please note that when signing up for monitoring services, you may be asked to verify personal information for your own protection to confirm your identity.

What You Can Do

To help protect your personal information, we strongly recommend you take the following steps, all of which are good ideas in any event:

- Carefully review statements sent to you by your bank, credit card company, or other financial institutions as well as government institutions like the Internal Revenue Service (IRS). Notify the sender of these statements immediately by phone and in writing if you detect any suspicious transactions or other activity you do not recognize.
- Enroll in the credit monitoring service that we are offering to you. This will enable you to get alerts about any efforts to use your name and social security number to establish credit and to block that credit from being established if you were not the one who initiated it.
- The attached **Reference Guide** describes additional steps that you can take and provides resources for additional information. We encourage you to read and follow these steps as well.
- Representatives from TransUnion are available for 90 days from the date of this letter to assist you with questions regarding this incident between the hours of 8:00 am to 8:00 pm Eastern time, Monday through Friday, excluding holidays. Please call the help line 1-833-960-4740 and supply the fraud specialist with your unique code listed above.

For More Information

If you have questions or concerns or learn of any suspicious activity that you believe may be related to this incident, please call 1-833-960-4740. Please know that we take this matter very seriously, and we apologize for the concern and inconvenience this may cause you.

Sincerely,

Stuart F. Williams

REFERENCE GUIDE

In the event that you suspect that you are a victim of identity theft, we encourage you to remain vigilant and consider taking the following steps:

Order Your Free Credit Report. To order your free credit report, visit www.annualcreditreport.com, call toll-free at 877-322-8228, or complete the Annual Credit Report Request Form on the U.S. Federal Trade Commission's website at www.ftc.gov and mail it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281. Do not contact the three credit bureaus individually; they provide your free report only through the website or toll-free number. When you receive your credit report, review the entire report carefully. Look for any inaccuracies and/or accounts you don't recognize and notify the credit bureaus as soon as possible in the event there are any.

You have rights under the federal Fair Credit Reporting Act ("FCRA"). These include, among others, the right to know what is in your file; to dispute incomplete or inaccurate information; and to have consumer reporting agencies correct or delete inaccurate, incomplete, or unverifiable information. For more information about the FCRA, please visit <https://www.consumer.ftc.gov/articles/pdf-0096-fair-credit-reporting-act.pdf> or www.ftc.gov

Place a Fraud Alert on Your Credit File: To protect yourself from possible identity theft, consider placing a fraud alert on your credit file. A fraud alert helps protect you against the possibility of an identity thief opening new credit accounts in your name. When a merchant checks the credit history of someone applying for credit, the merchant gets a notice that the applicant may be a victim of identity theft. The alert notifies the merchant to take steps to verify the identity of the applicant. You can report potential identity theft to all three of the major credit bureaus by calling any one of the toll-free fraud numbers below. You will reach an automated telephone system that allows you to flag your file with a fraud alert at all three bureaus.

Place a Security Freeze on Your Credit File. You have the right to place a "security freeze" on your credit file. A security freeze generally will prevent creditors from accessing your credit file at the three nationwide credit bureaus without your consent. You can request a security freeze free of charge by contacting the credit bureaus at:

Equifax	P.O. Box 740241 Atlanta, Georgia 30374-0241	www.equifax.com
Experian	P.O. Box 9554 Allen, Texas 75013	www.experian.com
TransUnion	Fraud Victim Assistance Division P.O. Box 2000 Chester, Pennsylvania 19016	www.transunion.com

The credit bureaus may require that you provide proper identification prior to honoring your request. In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.)
2. Social Security number
3. Date of birth
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years.
5. Proof of current address, such as a current utility bill or telephone bill
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to law enforcement agency concerning identity theft

Placing a security freeze on your credit file may delay, interfere with, or prevent timely approval of any requests you make for credit, loans, employment, housing or other services. For more information regarding credit freezes, please contact the credit reporting agencies directly.

Contact the U.S. Federal Trade Commission. If you detect any incident of identity theft or fraud, promptly report the incident to your local law enforcement authorities, your state Attorney General and the Federal Trade Commission ("FTC"). If you believe your identity has been stolen, the FTC recommends that you take these additional steps.

- Close the accounts that you have confirmed or believe have been tampered with or opened fraudulently. Use the FTC's ID Theft Affidavit (available at www.ftc.gov/idtheft) when you dispute new unauthorized accounts.
- File a local police report. Obtain a copy of the police report and submit it to your creditors and any others that may require proof of the identity theft crime.
